

Partnership - the Home School Agreement Autumn 2016

All school policies are reviewed by Governors annually

As students, we will follow The Bournside Charter:

- We treat others kindly and thoughtfully
- We speak politely
- We dress smartly
- We help others when they are struggling
- We work hard in all areas of school life
- We keep our school and neighbourhood clean and tidy
- We respect each other's property
- We contribute positively to our school
- We believe in ourselves
- We take responsibility for our actions
- We will be the best we can be

As parents and carers, we will join the school in:

- Encouraging students to follow The Bournside Charter
- Encouraging them to reach their full academic potential
- Celebrating and rewarding their achievements
- Monitoring progress, offering advice and support
- Enforcing guidelines and rules when necessary
- Contacting each other if there are any concerns
- Ensuring high levels of attendance and punctuality
- Ensuring uniform rules are followed

As a school, we will also:

- Establish an ethos and provide challenges and opportunities so that:
 - every student develops the knowledge, skills and self-confidence to become the best they can be
 - they develop skills for learning and for life
 - we foster personal growth and development
 - we enrich and extend learning
- Provide a broad and balanced curriculum for all
- Provide a safe, stimulating and caring environment
- Keep parents and carers involved and informed about their child and about the school
