CHELTENHAM BOURNSIDE SCHOOL

Welcome to Bournside

People are at the heart of Bournside. Rating us as “Good” in all areas, OFSTED saw that “staff well-being, as well as curriculum knowledge, are paramount”. Our staff and students are **Ambitious, Purposeful, Proud, Respectful, Curious, and Supportive**. These are our values and whilst you’ll see them written on our website and on our corridor walls, where you’ll really see them is in the way we work together, the way we talk to one another, the way teachers teach and students learn. All that leads to what OFSTED called “a harmonious school”.

Bournside is a large school with over 200 staff and nearly 1,800 students. That means we have the resources to provide a wealth of opportunities: a sports centre and 4G sports pitches; a fully equipped Drama studio, a large library, specialised English and Maths blocks, 12 science labs and specialist design, technology, computing and media rooms. Our highly successful sixth formers have their own large base with numerous study rooms.

No one gets lost in the crowd, however. Indeed, in their 2022 report, OFSTED commented on the “strong sense of community for both staff and pupils” and that “pupils are ready for learning and engage well with teachers and other adults.” Everyone is a member of one of our six houses; coupled with our vertical tutor group model, the house system aims to nurture and enhance that sense of family and community, strengthen home/school communication, and provide opportunities for older students to act as role models for younger students, enabling them to have meaningful conversations about school life and their future aspirations.

It’s not at all unusual for several generations from the same family to have been part of Bournside School. We’ve been part of the community of Cheltenham for many years having moved to our present site in Warden Hill in the early 1970s. Our value to the local community is developed in many ways: working closely with our neighbouring schools, taking the arts into the community, being the central hub for very many local sports teams, and, of course, being the school of choice for families in our part of Cheltenham and beyond.

I recommend you contact Will Penny, Deputy Headteacher wjp@bournside.gloucs.sch.uk before making your application. I would also very much encourage you to visit our school so you can see for yourself why it is a wonderful place to work.

There is a wealth of information about our school on our website, along with an application form should you wish to apply. We also ask for a supporting statement (maximum 2 sides of A4) outlining how you feel your experience, skills, and attributes would enable you to make a significant impact in the role. The deadline for applications is 9:00am on Friday 21st April 2023.

I look forward to receiving your application to join us in [empowering lives through learning](#).

Steve Jefferies
Headteacher

Head of Chemistry

Start date: 1st September 2023

Salary: MPS/UPS +TLR2B

(£5,022)

Full time, permanent

An outstanding opportunity has arisen to work within the Science Department of Cheltenham Bournside School.

We are an established 11-18 single academy trust with a good reputation (Ofsted 'Good' rating 2022), wide catchment, and a strong presence in our community. Our school is consistently oversubscribed with a PAN of 300, and most of our students choose to stay with us for their post-16 study.

We are looking to appoint, a teacher of Science, to join a lively and enthusiastic Science Department at Cheltenham Bournside School, where Science is a popular subject. The successful candidate will be a key part of the Science team, who will teach across the Key Stages and Science subjects, ensuring that the subject is delivered in an outstanding manner to highly motivated and talented pupils. There will be the chance of further responsibility for the suitable candidate.

You will be joining a Science faculty consisting of the Director of Science India Sampson, 3 Heads of Department, 9 teachers, and 4 technicians. The Science faculty occupies a central place in the academic life of the

School, with the teaching of science grounded in supporting students to acquire a deep understanding of scientific concepts, which they can then apply in a range of unfamiliar situations.

Practical work is embedded in the curriculum, being carefully planned to support and extend the acquisition of knowledge and understanding. To see further detail of the student learning journey that the successful candidate will teach please see the subject Curriculum Maps that are found [here](#).

A balanced science program, incorporating most of the features of the National Curriculum, is taught to pupils in Years 7 & 8. Each class has one or two science teachers. In Year 9, pupils are taught by three specialist teachers and start their studies of the GCSE science curriculum. Students are selected to study either AQA Combined Science GCSE or AQA separate science GCSEs depending on their progress in Y9 and Y10. A large number of students go on to study science at A Level and post-18 the numbers that choose Science courses at university are in stark contrast to national norms. Progress of students is above the national average at GCSE and typically in the top 25% of the country at A level.

The post would be an ideal opportunity for a new entrant to the profession although equally attractive to a more experienced colleague. We have a positive commitment to supporting Early Career Teachers and a comprehensive staff development programme.

We are an equal opportunities employer and value and respect diversity across our whole school community. Bournside is committed to safeguarding and promoting the welfare of children and young people. All posts are subject to an enhanced DBS check. We reserve the right to interview and appoint prior to the closing date.

- To liaise with and support pastoral leaders/staff with behaviour issues in the subject once all departmental interventions have been followed with no success (in line with the School's Behaviour Policy)

Additional Duties

- To play a full part in the life of the school community, to support the school's aims and ethos and to encourage staff and students to follow this example

Special conditions

This job description sets out the main duties of the post at the date it was drawn up. Such duties may vary from time to time without changing the general character of the post or the level of responsibility entailed. Such variations are a common occurrence and cannot themselves justify a reconsideration of the grading of the post.

Specific duties which are relevant to the actual post are detailed in a bespoke job description.

Head of Department Checklist

Daily

- Ensure all of your staff are in and that cover is correctly set if not
- Ensure all lessons were taught without issue – discuss any issues with team member(s)
- Touch base with every member of your team face-to-face to give them the opportunity to raise issues with you if help is needed.

Every Department Meeting

- Pass on any new information from SLT concerning policies and practices to your department
- Encourage staff to add new resources/lessons/assessments/WAGOLs/Knowledge Organisers/retrieval quizzes to shared P Drives as soon as they create them.

Weekly - fortnightly

- Ensure you have sent out agenda items and pre-reading to your team and line manager for your department CPD meetings based on the standardised agenda
- Complete minutes for each department meeting and share with your team and line manager
- Ensure your team is aware of any centralised homework or assessments that are to be completed (possibly through other TLR post holders)
- Prepare for your line manager meeting: ensure you have the information required to cover the standardised agenda, and review your department development plan.

Every 3 to 4 weeks

- Ensure you, or your department TLR holders, have seen all of your department teach and completed the SISRA Observe form with feedback, and discussed any issues with members of staff.

Termly (every 6-8 weeks)

- Ensure your team has been setting and marking student work in line with school policy (using Classcharts and book reviews)
- Evaluate the professional development needs in your team, particularly focusing on subject and pedagogical content knowledge and plan CPD based on the emerging needs of your team
- Following data entry drops, evaluate the performance of different student groups in the department as a whole, as well as in individual teacher classes.
- Facilitate and/or organise interventions for underachieving students (possibly with the help of other TLR post holders)
- Review your curriculum to ensure it is matched precisely to the needs of all students, making changes to schemes of work as necessary, and ensuring any changes to exams from boards are accounted for
- Moderate work as a department to ensure consistency and calibration.
