Year 9 to 12 – STEM Opportunities

EDT and Industrial Cadets would like to share with you some information about the opportunities available to students.

These courses offer a great insight into the different paths available as students take their next steps exploring the world of STEM. From experiencing university life and meeting role models and industry experts to working on exciting hands-on projects and participating in STEM industry workshops - the knowledge and exposure gained will help them make decisions about their future.

Fully funded bursary places are available to students who otherwise wouldn't be able to participate. If you and your students have any questions, please feel free to contact us studentrecruitment@etrust.org.uk

For Yr12 students

[Residential Insight into University](#) summer schools run over 4 or 5 days where students get a taster of university life and an insight into a specific STEM subject. In summer 2023 these will include:

- Maths at Lancaster
- Mechanical Engineering at UCL
- Chemical Engineering at UCL
- Materials Science at Oxford
- Robotics at Liverpool
- Broad-based Engineering at Sheffield
- Materials Science at Cambridge
- Aerospace Engineering at Liverpool

For dates, cost, requirements, content of each course and the application form, please click [here](#).

Applications deadline is fast approaching, so do not delay and **apply before the 3rd of January 2023**.

For Year 9 and 10 students

[Virtual Routes into STEM](#) is happening in February half term 2023! Take your chance to:

- explore different Routes into a STEM career including College Courses, University Courses, Apprenticeships
- engage in projects and activities such as a Biopharm challenge from GSK, a Design challenge from Balfour Beatty, a RSC Chemistry challenge and many more exciting challenges in all aspects of STEM
- enhance your problem solving, critical thinking, creativity and innovation skills as well as inspiring you to find careers motivation
- create your own personalised action plan to see your own Route into STEM and learn about your career skills and how you could write about this in your CV or Personal Statement
- gain an Industrial Cadets Bronze Award showing all that you have achieved on the course

Places are limited so do not delay and apply [here](#) today!

Year 12 and 13 – SJP Apprenticeship and Internships

SJP Apprenticeship and Sixth Form Internship opportunities for 2023 are now live on their website!

Apprenticeships

The Apprenticeship programme at SJP is a brilliant way to kick start your career once you have completed your A-levels/BTEC triple award or equivalent. Candidates must hold GCSE Maths and English at a C/5 grade. We have a huge variety of opportunities around the business including Risk, Investments, Private Clients, Property, Finance and more. You are able to study whilst you working, completing a level 3+ qualification, with opportunities to further study once completed the programme. Apprentices are paid £18,155 and are hired on a permanent contract.

Applicants must be in their final year of Sixth Form/College to apply.

Internships

Sixth Form Internships are a great insight into what it may be like to work as an Apprentice in the financial services industry. The internship is a 4-week paid opportunity in either our Partner Lending team or in our Business Development & Advice team. This internship will provide you with invaluable work experience that will set you up for your future career, and is also a pathway into the Apprenticeship programme. Successful interns will fast track the application process for an apprenticeship role of their choice (of those available).

Applicants must be in their penultimate year of Sixth Form/College, and will have a desire to pursue an Apprenticeship with SJP.

If you have any questions or issues with applying, please contact the team using the email: early.careers@sjp.co.uk

Please find the 2023 Apprentice and Intern opportunities by following the link: <https://sjp.csod.com/ux/ats/careersite/4/home?c=sjp>

Year 13 – Army Internships

The Army Officer Internship offers the chance for students to experience the role for 6 to 18-months before, during or after university.

Gain unrivalled insight into the life of an Army Officer, with plenty of support from our team. Whilst this is not an active service role, students will still experience the range of training and opportunities available to a young Army Officer.

- Apply by 31st December for Internships starting the following September
- Anyone with, or seeking, a place at a university or college, or who has graduated within the last 2 years, can apply
- Army Officer Interns will be paid £18,000/year (£1,500/month) in this role
- Once the internship has been completed you can elect to remain in the Army, as a Reservist or regular Army Officer
