CHELTENHAM BOURNSIDE SCHOOL

Welcome to Bournside

People are at the heart of Bournside.

Our staff and students are **Ambitious, Purposeful, Proud, Respectful, Curious, and Supportive**. These are our values and whilst you'll see them written on our website and on our corridor walls, where you'll really see them is in the way we work together, the way we talk to one another, the way teachers teach and students learn, and the way we ensure that every day, in and out of lessons we are living our vision: **empowering lives through learning**.

Bournside is a large school with over 200 staff and 1,700 students. That means we have the resources to provide a wealth of opportunities: a sports centre and 4G sports pitches; a fully equipped Drama studio, a large library, specialised English and Maths blocks, 12 science labs and specialist design, technology, computing and media rooms. Our highly successful sixth formers have their own large base with numerous study rooms.

No one gets lost in the crowd, however. The size of our school means that whatever your role, you'll benefit from having a dedicated, specialist team around you. Everyone is a member of one of our six houses; coupled with our vertical tutor group model, for students, the house system aims to nurture and enhance a sense of family and community, strengthen home/school communication, and provide opportunities for older students to act as role models for younger students, enabling them to have meaningful conversations about school life and their future aspirations.

It's not at all unusual for several generations from the same family to have been part of Bournside school. We've been part of the community of Cheltenham for many years having moved to our present site in Warden Hill in the early 1970s. Our value to the local community is developed in many ways: working closely with our neighbouring schools, taking the arts into the community, being the central hub for very many sports local sports teams, and, of course, being the school of choice for families in our part of Cheltenham and beyond.

There is a wealth of information about our school on our website, along with an application form should you wish to apply. We also ask for a supporting statement (maximum 2 sides of A4) outlining how you feel your experience, skills, and attributes would enable you to make a significant impact in the role. The deadline for applications is 9am 4th January 2022.

I look forward to receiving your application to join us in **empowering lives through learning**.
