All Years – Free Guides

Success at School 2023/2024

The Success at school 2023/24 Parents guides to university and apprenticeships have been released. The guide is packed full of advice to help support your child in making the best choices for them. Please click on the link [HERE](#) to access your guide.

SPIED Newsletter

Click this [LINK](#) for the latest SPIED newsletter; an opportunities bulletin aimed at 16-18 year olds focusing on Education, Training and Employment.

Green Careers Guide

A free guide for parents giving plenty of talking points about routes to green careers after GCSE or sixth form. Click [HERE](#) to download.

Parents Guide to National Apprenticeship Week 2024

It's National Apprenticeship Week from 5th – 11th of February 2024. Apprenticeships are a fantastic choice for many students, either straight after GCSE or after sixth form; however, some parents don't know much about apprenticeships and can be concerned that they're a second-rate option rather than a first-class opportunity. See [this guide](#) to find out more about apprenticeships.

Students Guide to University

The key higher education facts for students thinking about University. Download [HERE](#).

Year 13 – Higher and Degree level Apprenticeship listings

Click [HERE](#) to explore 250+ Higher and Degree Level Apprenticeship vacancies. Over 50 employers across a broad range of industries, including salary information and direct application links.

All Years – Gloucestershire Volunteer Awards 2024

NOMINATIONS OPEN!

**Gloucestershire's
Volunteer Awards**

Thursday 6 June 2024
6 pm - 10 pm
The Growth Hub, Gloucester

RISING STAR AWARD

For young people under the age of 16 who have been volunteering in their community and have shown a commitment to their cause. This individual has a positive contribution to others and the world around them through volunteering, fundraising, or being an advocate for the people they are supporting.

YOUNG VOLUNTEER AWARD

For young people aged 16-25 who have been volunteering for over a year and can demonstrate the ability to go above and beyond what is expected. This individual has contributed to their community, is an example to others, and their volunteering has made a positive difference.

Gloucestershire's Volunteer Awards celebrates and recognises the outstanding contribution of volunteers within our county. Our Awards shine a light on volunteers from a range of backgrounds and life experiences who are making a difference within our communities. Nominations close at **5 pm on Friday 8 March 2024**.

To find out more about the awards and how to nominate, please visit our website: www.govolunteerglos.org/gloucestershire-volunteer-awards

Gloucestershire's Economic Strategy

An new economic strategy is being prepared for the county.

Key topics and priorities which feature in the new strategy will include:

- Zero carbon - the move towards a net carbon zero economy is one of the main principles of the economic strategy
- Inclusive growth - to ensure every resident and business has equal access to opportunities
- Skills and employment - drawing on the existing work of the county council, the district councils and GFirst LEP to reduce skills gaps in the workforce

Other key areas include supporting sustainable growth, ensuring businesses have the support they need, securing inward investment and improving access and availability to digital technology.

The transition to the green economy is an urgent priority for Gloucestershire and the aim is to meet the 2045 net zero emissions target while promoting economic growth.

The NHS have launched a new weekly Careers and Apprenticeships newsletter containing details about upcoming events, current vacancies and other useful information about careers in the NHS.

In this week's newsletter, they have 4 upcoming apprenticeship vacancies and a current vacancy for a Level 3 IT Network Apprentice. Click [HERE](#) to view the newsletter, apply for apprenticeships and jobs and sign up for events.

Year 10 – Work experience 2024

Work experience week for Year 10 is the week of **22nd – 26th April 2024**. The deadline for completing the Student form on Unifrog has now passed. Any placements added from now on are not guaranteed to be able to go ahead. We encourage all students who have not secured a placement to come see us in the careers hub as soon as possible.

Year 12 – Work experience 2024

Work Experience week for Year 12 can be **8th – 12th July 2024**, **2nd – 6th September 2024** or during the Summer Holiday. The deadline for completing the Student initial form on Unifrog is 7th May 2024. Please contact employers as soon as possible to secure placements, as they get booked up very quickly. If you need assistance, then please come see us in careers or email careers@bournside.gloucs.sch.uk.

Year 10 to 11 – BGGC Sponsored Cadet Scheme

**ARE YOU BETWEEN 14 AND 16
WHY NOT LEARN TO FLY – PART SPONSORED?**
AT THE BRISTOL AND GLOUCESTERSHIRE GLIDING CLUB

Another 14 year-old goes solo!
No qualifications required - Just enthusiasm and determination

TRAIN WITH OUR INSTRUCTORS....
... AND GO SOLO!

FOR MORE INFORMATION VISIT www.bggc.co.uk/cadets
Nympsfield, Gloucestershire office@bggc.co.uk www.bggc.co.uk
Tel: 01453860342

Bristol and Gloucestershire Gliding club run a Flying (Gliding) Scholarship scheme for 14 to 16 Year olds. This year, the scheme will part fund 4 students to fly up to solo standard. The club will thereafter part fund the cadets continuation training for a further year. For more information and an application form, scan the QR code in the poster or visit [HERE](#).

Year 10 to 11 – Hereford College of Arts Digital Media Taster Days

The Creative Media, Production and Technology course at HCA is looking for Year 10 and 11 students to join them for a 2-day interactive workshop series. Any students considering a career in games, film or animation can expect to get hands on with cameras and lights, create games, 3D work and motion graphics. The free taster days are taking place during the Easter Holidays on **2nd & 3rd April 2024**. More information found [HERE](#).

Year 10 to 12 – NHS Cadets Programme

NHS Cadets is a youth volunteering program established by NHS England and is delivered in partnership with St John Ambulance, alongside local NHS trusts and healthcare providers. This unique program offers young people aged 14 to 18 the chance to explore careers in the healthcare sector through valuable volunteering experiences. NHS Cadets is being launched for the first time in Gloucestershire. See poster below for further information. Deadline for applications is **4th March 2024**.

[Foundation Programme](#)

[Advanced Programme](#)

**WE
WANT
YOU**

Explore a future career
in health and social care

NHS Cadets

**St John
Ambulance**

Register your interest today for the Gloucestershire January 2024 intake!

Unlock your potential by becoming an NHS Cadet. Developed by St John Ambulance in collaboration with the NHS, this program offers a unique chance to explore the various areas of health and social care.

The NHS Cadets programme provides two options for young people aged 14 to 18; a foundation pathway for young people aged 14 to 16 and an advanced pathway for those aged 16 to 18.

Joining NHS Cadets means you'll have 2-hour virtual sessions every week for 36 weeks. It's a cool way to learn a lot about health and social care. The best part? It won't cost you anything! So, you can explore, have fun, and learn new skills without worrying about money.

Throughout your journey, the dedicated NHS Cadets Team will be by your side, offering you support and guidance. Regardless of your background, NHS Cadets welcomes a diverse array of individuals—there's no such thing as a 'typical' NHS Cadet. So, grab the chance to broaden your horizons, gain essential skills and enjoy getting to know other NHS Cadets!

Your NHS Cadets experience also fits seamlessly into the volunteering or skills sections for bronze, silver, or gold Duke of Edinburgh's Award (DofE). It's a versatile opportunity that not only meets the criteria but also adds a meaningful dimension to your DofE journey.

If you wish to discuss NHS cadets, please don't hesitate to email one of our friendly team at nhscadets@sja.org.uk

14-16 years sign-up

16-18 years sign-up

Year 10 to 12 – Get into Medicine UCAS Conference

A FREE virtual Get into Medicine conference for aspiring medics is being held on **Saturday 2nd & 9th March 9.30am – 3.30pm**. This is an opportunity for students to receive tips and guidance on the UCAS application process for medicine; including CV building, work experience, medical school interview tips and perspectives from recent successful applicants. This comprehensive conference covers all of the essential requirements for applying to dental school and provides invaluable tips on how to stand out from the crowd. With informative sessions led by experienced professionals, you'll gain an understanding of what dental schools are looking for, learn how to perform phenomenally in interviews, and discover the importance of extracurricular activities in your application. Find out more and sign up for free using this [link](#).

Year 10 & 12 - Various work experience opportunities

We receive details from various local employers about work experience opportunities at their organisations. If you are interested in any of the placements below, please come see us in the careers hub where we can provide further information and application forms.

GE Aviation (Y12 only)

GE Aviation are offering engineering work experience during the Summer Holidays. You must be currently studying A Levels, one of which must be maths. See below for further information.

<h1>Engineering Work Experience</h1> <h2>at GE Aerospace</h2>	
<h3><u>Learn About the Aerospace Industry</u></h3>	
Site and Lab Tours <p>We will give you a tour of our engineering facilities, most notably the laboratory spaces where the actual technology built for planes is being developed, tested and repaired.</p>	How It Is Structured <p>We will be running two identical weeks that will have a set structure of workshops, presentations and time to work on your electronics project based on a brief given to you. At the end of the week, you will perform a presentation of your finished project, learnings and reflections.</p>
Shadowing Sessions <p>Spend time getting to know the individual engineers within the company that are working on live projects and get an insight on how their careers have developed thus far.</p>	Who can Apply <p>To apply, you must meet the following criteria:</p> <ul style="list-style-type: none"><input type="checkbox"/> currently or planning to take A Levels, of which one must be Maths<input type="checkbox"/> You must be 16 or older by August 2024
Introduction to GE Products <p>At the start of the week, we will give you a brief introduction to all the current GE products and the aircraft that they are in to give you context for when you see them on the site tour.</p>	How to Apply <p>For further instructions on how to apply for our work experience weeks, register your interest in an email to the following email address:</p> <p>engineering.workexperience@ge.com</p> <p>The dates of the weeks are: Option 1: 5th to 9th August Option 2: 19th to 23rd August</p> <p>Our application window is open until May 31st!</p>
<h3><u>Develop Yourself Professionally</u></h3>	
Week-Long Electronics Project <p>Every day of the week you will be given time to develop an electronics project involving hardware and software aspects, bringing it all together under systems engineering.</p>	
Systems Engineering and CAD Design Sessions <p>To provide you with the necessary skills to develop your project, sessions will be provided for you to learn how to design an electronic system and how to design a case for it in CAD.</p>	
Soft-Skill Workshops <p>Aside from the hard skills, we will also provide you with various sessions focused more on developing the soft skills such as understanding good interview practice, understanding your own social style, and how to give productive feedback to others.</p>	

Willans LLP Solicitors

Cheltenham Town
Community
trust 

ARE YOU PASSIONATE ABOUT A CAREER IN THE FOOTBALL INDUSTRY?

THE FOUNDATION DEGREE IN COMMUNITY FOOTBALL COACHING AND DEVELOPMENT PROVIDES YOU WITH AN OPPORTUNITY TO GAIN AN FA COACHING AWARD WHILE BEING AFFILIATED TO YOUR LOCAL EFL TRUST FOOTBALL CLUB.

You'll learn about children and youth coaching, football coaching, football development, social inclusion, and sports management skills.

This award-winning community football coaching course, designed in conjunction with the English Football League Trust, develops the skills and qualities that are required to work within professional football clubs' community departments or national governing bodies in areas of growth such as social inclusion, community coaching and football development.

Predominantly based at Cheltenham Town Football Club, the course is carried out on an online learning platform to study a variety of sports development topics. This is combined with placement hours with the trust, delivering across many areas within football such as after school clubs and holiday camps, allowing learners to gain valuable hands on experience and an opportunity to progress into employment.

The trust will have designated tutors to support learners with their studies, whilst the placement hours will be completed alongside our community coaches, some of which have come through the pathway we provide at the trust, to ensure all learners feel comfortable and supported.

Year 12 & 13 – St James' Place Apprenticeship and Internship opportunities 2024

Apprenticeships

St. James's Place 2024 Apprenticeship programme applications are now open. This is the perfect opportunity for students to gain invaluable work experience at a renowned business, whilst gaining up to a Level 7 (Masters level) qualification, all paid for. Our apprentices are hired on permanent contracts and are valuable members of staff, progressing into higher roles and taking on more responsibility quickly after finishing the programme.

Our starting salary is over £20,000, with this rising to over £25,000 annually once your year as an apprentice is complete. There is an opportunity for everyone, with roles in many business areas including IT, Technology, Software, Digital Content, Financial Services, Accountancy, Data and so much more.

Visit the [SJP Early Careers Webpage](#) to view roles available and to apply.

Internships

Are you a Year 12/penultimate year college student and looking to gain 4 weeks-worth of paid work experience? Why not check out our Internship programme!

Our Internships are designed for students who are interested in undertaking an Apprenticeship in the sector once they have finished their studies. This is a brilliant opportunity to gain invaluable work experience to enhance your CV and get a taste of what it is like to be an Apprentice before applying when eligible. The 4-week placement is paid a comfortable wage and is conducted over the summer of 2024. Our opportunities include Financial Services, Financial Crime and Compliance. Visit the [SJP Careers](#) site to learn more and apply.

Year 13 – Engineering Development Trust Year in Industry schemes

EDT's, The Year in Industry (YINI) Placement scheme, helps place school-leaving students into paid 12-month long placements into all areas of engineering, science (particularly physics), technology/electronics, maths, business, marketing and finance across the UK. If you are interested in a 12-month placement after completing A-Levels, sign up [HERE](#) to register your interest and keep updated on the latest opportunities.

Year 13 – Hazlewoods Accountancy Apprenticeships

Applications are online [HERE](#).

School/College Leaver AAT Apprenticeship

EARLY CAREERS

2024

Start your accountancy career as soon as possible. If university isn't the choice for you, Hazlewoods offers a Level 4 Apprenticeship to gain your AAT qualification.

Hazlewoods, UK Top 35 Business Advisers and Chartered Accountants, is a practice with a difference. Our unique specialist sector expertise gives us a UK-wide client base, whilst based in beautiful Gloucestershire.

With over 500 employees, we are large enough to provide plenty of opportunities for progression, or rotation throughout teams, but small enough that everyone can make a difference. You will work with a portfolio of interesting and diverse clients: having an array of responsibilities and variety of work, no two days are the same!

Our Level 4 apprentices study alongside work, attending classroom-based lessons at our study partner, First Intuition.

Once the AAT is complete, we hope you will continue your journey with Hazlewoods and continue studying professionally. Those who join our Level 4 Apprenticeship from school or college can expect to become a fully qualified Chartered Accountant (ACA) within 5 years, gaining valuable work experience throughout this time.

We have opportunities in the following areas of the business:

- **Audit** – providing insightful, tailored advice to help maximise the potential of every business we work with.
- **Tax** – forward thinking, creative and strategic planning advice, tailored to fit our client's personal and business objectives.
- **Accountancy and Business Advisory** – specialist accounting and business advice for our diverse clients.
- **Corporate Finance** – supporting clients through mergers, acquisitions, sales, raising finance and transaction services.
