## All Years – Free Guides

The Success at school 2022/23 Parents guides to university and apprenticeships have been released. Both guides will be available for parents and carers to access for FREE and will be sent directly to your inbox along with a free bonus STEM careers guide. Please click on the link below:

[Success at School Parents Guide](#)

## All Years - National Careers Week 2023

National Careers Week 2023 (6<sup>th</sup> – 11<sup>th</sup> March) is a week-long celebration of careers guidance and free resources in education across the UK. The aim is to help support young people develop awareness and excitement about their future pathways. Click the link for further information:

[Welcome - National Careers Week](#)

As part of National Careers Week, Aspire are running a series of free webinars to support students to explore their career and further education options. See poster for further information or click this [link](#).

The poster features the Aspire logo at the top left. The main title 'National Careers Week' is in large, bold, white text on a dark blue background. Below the title, there is a photograph of three diverse young people (two women and one man) looking at a laptop. To the right of the photo, there is text explaining that Aspire webinars are free-to-attend online sessions designed to support students across the UK to explore their career and further education options. It also states that to celebrate National Careers Week, Aspire will be running daily webinars providing introductions to different career sectors and the opportunity to ask questions to a panel of experts. Below this, there is a list of five webinar topics with their dates and times:

- Tech & Engineering** (7 March, 5-6pm): Careers in technology and engineering are becoming increasingly in demand, and only a few of them will require you to have any coding skills. Attend this webinar to learn more about job prospects within one of the fastest growing industries.
- Accountancy & Professional Services** (8 March, 5-6pm): Has anyone ever told you that accountants are "boring"? Well they couldn't be more wrong! If you have an analytical mind and strong attention to detail, a career in accounting or consultancy could be ideal for you - come to this session to learn more.
- Banking & Finance** (9 March, 5-6pm): The UK is a world-leading financial hub, with banking hotspots located right across the UK. This session will cover the many opportunities available for you to seek a career in the banking and finance sector.
- Government & Public Sector** (10 March, 5-6pm): Would you like a career where you can focus on giving back to your local community? Or maybe you even think you'd be great as the next Prime Minister? Whatever your future ambitions, if you'd consider working for the government, this webinar will give you a great insight into public-sector careers - from teaching, to the NHS, to parliament.
- Law** (11 March, 5-6pm): There are laws in place to protect us in every aspect of our lives, from our human rights to the environment, so a career in law can take you down many different routes - attend this session to learn more.

At the bottom left, there is a QR code with the text 'Scan the QR code to register'. At the bottom right, there is the text 'During the webinar your contact and preferences will be shared with [aspire.upreach.org.uk](#)'.

## NHS Newsletter

The NHS have launched a new weekly Careers and Apprenticeships newsletter containing details about upcoming events, current vacancies and other useful information about careers in the NHS.

In this week's newsletter, there are 4 live apprenticeship vacancies including a Library, Information and Archive assistant and a Degree Apprentice Occupational Therapist. Click [HERE](#) to access the newsletter.

## Year 10 to 13 Law & Finance: Immersive career experiences

### Summer 2023

## Year 10 and 12 – University of Gloucestershire Summer Residentials

Applications are now open for the FREE Year 10 & Year 12 Summer Residentials which take place in July.

Experience university life first-hand by staying in halls of residence, meeting like-minded students and taking part in subject workshops and evening entertainment.

For a taste of what University life is like, use the links below to apply by **Monday 1<sup>st</sup> May 2023**.

[Year 10 - Tuesday 11 July - Friday 14 July 2023](#)

[Year 12 – Tuesday 4 to Friday 7 July 2023](#)

## Years 10 to 12 – Virtual Medic Conference

A FREE virtual Get into Medicine conference for aspiring medics is being held this weekend on **Saturday 4<sup>th</sup> March** 1.30pm-7pm and **Sunday 5<sup>th</sup> March** 10am-3pm. This is an opportunity for students to receive tips and guidance on the UCAS application process for medicine.

Sign up for free using this [link](#).

## Years 10 to 13 – Careers in AI, Cyber and Coding

If you are interested in the following careers, there will be a series of Workshops led by industry experts to help students get a head start in their career. These small-group online workshops are 3.5 hours long and cover everything from the basics of AI, hacking or coding, to the unique job opportunities in each sector. Students will also get a chance to try a hands-on practical exercise, and put questions to a panel of industry experts. Please follow link and book a place:-

- [Robotics in Space](#) **Saturday 11<sup>th</sup> March 2023**
- [AI in Medicine](#) **Saturday 11<sup>th</sup> March 2023**

## Year 11 and 12 – PwC Summer programmes

PwC are delighted to announce that applications are open for their Virtual Insight Programme and Career Launch Work Experience programme, taking place this summer. Click the links below for details on how to apply before the deadline on **10<sup>th</sup> March 2023**.

[Virtual Insight programme](#) - designed to provide students with an insight into different business areas and the chance to build their network whilst developing their employability skills.

[Work Experience](#) – Students in Y12 can join PwC in their Belfast or Manchester offices for the Career Launch Work Experience programme. This paid programme will give them the chance to explore

what it's like to work at PwC whilst gaining valuable skills and building their network. Participants that perform well could receive a fast-tracked application to one of their 2024 opportunities.

### Year 11 to 13 – Volunteering opportunity at Gloucestershire Wildlife Trust

Gloucestershire Wildlife Trust (GWT) are currently recruiting for volunteers age 16-25 to join their Youth Advisory Group (YAG). A great opportunity for those who are passionate about nature and the environment to learn new skills, make connections in the nature and environment sector and enhance their CV. For information about the role of this group and how to apply click [here](#).

### Year 11 – Apprenticeship opportunities at Specsavers

An apprentice at Specsavers provides firm foundations for lifelong careers in Optometry and Audiology. For further information about the opportunities available, please click [HERE](#).
