All Years – Free Guides

Success at School 2023/2024

The Success at school 2023/24 Parents guides to university and apprenticeships have been released. The guide is packed full of advice to help support your child in making the best choices for them. Please click on the link [HERE](#) to access your guide.

SPIED Newsletter

Click this [LINK](#) for the latest SPIED newsletter; an opportunities bulletin aimed at 16-18 year olds focusing on Education, Training and Employment.

Green Careers Guide

A free guide for parents giving plenty of talking points about routes to green careers after GCSE or sixth form. Click [HERE](#) to download.

Parents Guide to National Apprenticeship Week 2024

It's National Apprenticeship Week from 5th – 11th of February 2024. Apprenticeships are a fantastic choice for many students, either straight after GCSE or after sixth form; however, some parents don't know much about apprenticeships and can be concerned that they're a second-rate option rather than a first-class opportunity. See [this guide](#) to find out more about apprenticeships.

Students Guide to University

The key higher education facts for students thinking about University. Download [HERE](#).

Year 13 – Higher and Degree level Apprenticeship listings

Click [HERE](#) to explore 250+ Higher and Degree Level Apprenticeship vacancies. Over 50 employers across a broad range of industries, including salary information and direct application links.

Gloucestershire's Economic Strategy

An new economic strategy is being prepared for the county.

Key topics and priorities which feature in the new strategy will include:

- Zero carbon - the move towards a net carbon zero economy is one of the main principles of the economic strategy
- Inclusive growth - to ensure every resident and business has equal access to opportunities
- Skills and employment - drawing on the existing work of the county council, the district councils and GFirst LEP to reduce skills gaps in the workforce

Other key areas include supporting sustainable growth, ensuring businesses have the support they need, securing inward investment and improving access and availability to digital technology.

The transition to the green economy is an urgent priority for Gloucestershire and the aim is to meet the 2045 net zero emissions target while promoting economic growth.

Top hiring companies in Gloucestershire:

1. NHS
2. Ultra Group Company Limited
3. The Orders of St John Care Trust
4. Safran
5. Tesco
6. Gloucestershire County Council
7. General Electric
8. St James's Place
9. Bupa
10. EDF Energy

Nympsfield, Gloucestershire office@bggc.co.uk www.bggc.co.uk
Tel: 01453860342

Bristol and Gloucestershire Gliding club run a Flying (Gliding) Scholarship scheme for 14 to 16 Year olds. This year, the scheme will part fund 4 students to fly up to solo standard. The club will thereafter part fund the cadets continuation training for a further year. For more information and an application form, scan the QR code in the poster or visit [HERE](#).

Year 10 to 12 – Get into Medicine UCAS Conference

A FREE virtual Get into Medicine conference for aspiring medics is being held on **Sunday 12th May 9.30am – 3.30pm**. This is an opportunity for students to receive tips and guidance on the UCAS application process for medicine; including CV building, work experience, medical school interview tips and perspectives from recent successful applicants. Sign up [HERE](#).

Year 10 to 12 – Live virtual NHS Healthcare careers work experience programme

Allied Healthcare Mentor are running monthly virtual work experience days for students interested in a career in the NHS. The next virtual work experience day is **5th May**. For more information and to sign up, please click [HERE](#).

Year 10 to 12 – Get into Dentistry Conference

A FREE virtual Get into Dentistry Conference on **Saturday 18th May 9.30am-3pm**. This comprehensive conference covers all of the essential requirements for applying to dental school and provides invaluable tips on how to stand out from the crowd. With informative sessions led by experienced professionals, you'll gain an understanding of what dental schools are looking for, learn how to perform phenomenally in interviews, and discover the importance of extracurricular activities in your application. Find out more and sign up for free using this [link](#).

Year 12 - Various work experience opportunities

We receive details from various local employers about work experience opportunities at their organisations. If you are interested in any of the placements below, please come see us in the careers hub where we can provide further information and application forms.

GE Aviation (Y12 only)

GE Aviation are offering engineering work experience during the Summer Holidays. You must be currently studying A Levels, one of which must be maths. See below for further information.

Engineering Work Experience at GE Aerospace

Learn About the Aerospace Industry

Site and Lab Tours

We will give you a tour of our engineering facilities, most notably the laboratory spaces where the actual technology built for planes is being developed, tested and repaired.

Shadowing Sessions

Spend time getting to know the individual engineers within the company that are working on live projects and get an insight on how their careers have developed thus far.

Introduction to GE Products

At the start of the week, we will give you a brief introduction to all the current GE products and the aircraft that they are in to give you context for when you see them on the site tour.

Develop Yourself Professionally

Week-Long Electronics Project

Every day of the week you will be given time to develop an electronics project involving hardware and software aspects, bringing it all together under systems engineering.

Systems Engineering and CAD Design Sessions

To provide you with the necessary skills to develop your project, sessions will be provided for you to learn how to design an electronic system and how to design a case for it in CAD.

Soft-Skill Workshops

Aside from the hard skills, we will also provide you with various sessions focused more on developing the soft skills such as understanding good interview practice, understanding your own social style, and how to give productive feedback to others.

How It Is Structured

We will be running two identical weeks that will have a set structure of workshops, presentations and time to work on your electronics project based on a brief given to you. At the end of the week, you will perform a presentation of your finished project, learnings and reflections.

Who can Apply

To apply, you must meet the following criteria:

- currently or planning to take A Levels, of which one must be Maths
- You must be 16 or older by August 2024

How to Apply

For further instructions on how to apply for our work experience weeks, register your interest in an email to the following email address:

engineering.workexperience@ge.com

The dates of the weeks are:

- Option 1: 5th to 9th August
- Option 2: 19th to 23rd August

Our application window is open until May 31st!

Moog Tewkesbury

Moog have work experience opportunities for students interested in engineering. They require a CV and covering letter.

Move More

Move More deliver sports coaching/PE Lessons in local primary schools. They have availability for a few students to undertake work experience.

Year 12 – Work experience 2024

Work Experience week for Year 12 can be **8th – 12th July 2024**, **2nd – 6th September 2024** or during the Summer Holiday. The deadline for completing the Student initial form on Unifrog is 7th May 2024. Please contact employers as soon as possible to secure placements, as they get booked up very quickly. If you need assistance, then please come see us in careers or email careers@bournside.gloucs.sch.uk.

Year 10 to 12 – Virtual Aerospace Work Experience with Airbus

Virtual Work Experience Programme

A chance to peek behind the scenes at the inner workings of Airbus.

Our virtual work experience programme is open.

Help inspire the next generation.

www.springpod.com/virtual-work-experience/WEXP-00239

Year 10 to 12 – University of Gloucestershire residentials and taster days

Applications are open for the University summer residentials taking place for Year 10 & Year 12.

Year 10 – 16th-19th July

Year 12 – 24th – 26th July

Students can experience university life when they take part in our free residential programmes. They will meet students from across the country, live in halls of residence, try subject tasters in industry-standard facilities, speak to current students and find out more about their journey into higher education.

Year 10 students will be offered a range of academic workshops to choose from and Year 12 can apply to one of the following subject streams: Communication, Crime, Digital, or Health.

Applications close Monday 6th May. More information can be found [HERE](#).

Year 10 to 13 – Free virtual career webinars

Upcoming virtual webinars offering an insight into different career opportunities.

Apprenticeships in Intelligence & Comms – The British Army 18th June 3.30pm

Communications, IT and Intelligence based roles in the British Army work to keep troops connected and informed. They ensure the Army's lines of communication are working

effectively and free from security breaches. Join this webinar to learn more about the range of apprenticeship opportunities in Intelligence and Comms and to hear from inspiring apprentices within the Royal Signals and Military Intelligence about their career journey, what their apprenticeships involve and why they chose an apprenticeship with the Army. Register [HERE](#).

Year 10 to 11 - Tesco Retail Apprenticeship Programme

Tesco have recently announced the launch of their new Stronger Starts Retail Apprenticeships programme, as part of their commitment to help young people achieve a stronger start in life. Stroger Starts is one of the few apprenticeship programmes that doesn't require any qualifications or experience as entry requirements. After completing the programme, apprentices gain a Level 2 National Standard in Retail, which is the equivalent of 5 GCSE passes. The programme opens for applications on **24th June 2024**. More information on their website [HERE](#).

Join the early careers team from Tesco in a live webinar on **14th May 2024** to find out more and have the opportunity to ask questions. Either 4-5pm or 6-7pm. Register [HERE](#).

Year 11 & 12 – Ultra PCS Engineering Summer School

ENGINEERING SUMMER SCHOOL 2024

ULTRA | PCS

PROJECT: ROBOT WARS

Experience what a career in engineering could be like while making LEGO battle bots. Learn about electronics, coding, CAD, robotics and much more.

SCAN QR CODE TO APPLY

DEADLINE: 3rd May

Year 12 – Oxford Brookes subject taster days

Oxford Brookes University have free upcoming taster days in various subjects including; Motorsport Engineering – 8th May

Computer science – 9th May

Art & Design – 15th May

Architecture – 22nd May

Further information and how to book can be found [HERE](#).

Year 12 & 13 – St James' Place Apprenticeship and Internship opportunities 2024

Apprenticeships

St. James's Place 2024 Apprenticeship programme applications are now open. This is the perfect opportunity for students to gain invaluable work experience at a renowned business, whilst gaining up to a Level 7 (Masters level) qualification, all paid for. Our apprentices are hired on permanent contracts and are valuable members of staff, progressing into higher roles and taking on more responsibility quickly after finishing the programme.

Our starting salary is over £20,000, with this rising to over £25,000 annually once your year as an apprentice is complete. There is an opportunity for everyone, with roles in many business areas including IT, Technology, Software, Digital Content, Financial Services, Accountancy, Data and so much more.

Visit the [SJP Early Careers Webpage](#) to view roles available and to apply.

Internships

Are you a Year 12/penultimate year college student and looking to gain 4 weeks-worth of paid work experience? Why not check out our Internship programme!

Our Internships are designed for students who are interested in undertaking an Apprenticeship in the sector once they have finished their studies. This is a brilliant opportunity to gain invaluable work experience to enhance your CV and get a taste of what it is like to be an Apprentice before applying when eligible. The 4-week placement is paid a comfortable wage and is conducted over the summer of 2024. Our opportunities include Financial Services, Financial Crime and Compliance. Visit the [SJP Careers](#) site to learn more and apply.

Year 12 & 13 – Gloucestershire Engineering Training

Year 12 & 13 – Thomas Legal Early Career opportunities

Thomas Legal are a law firm based in Gloucester Business Park specialising in conveyancing. They offer Legal Apprenticeships and Entry Level Legal Assistant roles. See poster below for further information about their recruitment opportunities.

ThomasLegal

Values

Our core values are what make Thomas Legal so unique and hold our firm together.

Innovation

Generating new ways of working to improve efficiency and systems.

Excellence

Being the best at everything we do.

Integrity

Working together to ensure we are united in our goals.

Dynamism

Encouraging, promoting and adopting positive new ideas.

About Thomas Legal:

Thomas Legal are an award-winning law firm that aims to be the very best national offering to consumers and introducers in the field of conveyancing.

We will continue to grow our market share through our own exceptional service delivery, enhanced IT innovation and development, demonstrable client feedback through awards and most importantly with a passionate and exceptional group of individuals who strive for continuous improvement.

We are a law firm that focus exclusively on Residential Conveyancing - which makes us the experts! We pride ourselves on our client care and we have very high levels of customer satisfaction.

Training

Our ethos is to promote within and we encourage our employees to progress. We seek new ways to help our employees achieve their goals. We offer all the training required to perform their roles effectively including:

- A dedicated in-house training and ongoing performance reviews
- Online skills and compliance training
- Support Study Programme

Progression Opportunities:

Our employees can progress through the company from a Legal Assistant role through to becoming a qualified Solicitor. We use internally designed competency matrixes for each promotion opportunity.

Thomas Legal proudly supports a local charity each year holding frequent fundraising events.

Benefits

- Health Care Cash Plan
- Holiday Trading
- Perks at Work
- Cycle to Work Scheme
- Wellbeing Programme
- Car Lease Scheme

- 1 Month Paid Sabbatical after 10 Years Service
- 24 Days Holiday plus Birthday off
- Additional Annual Leave for Long Service
- Study Support Programme

- Monthly Employee Spotlight Award
- Social Events

INSIGHT INTO UNIVERSITY

Thank you to our supporters:

HELP STUDENTS DECIDE WHETHER UNIVERSITY IS THE ROUTE FOR THEM

Insight into University is a comprehensive virtual experience allowing students to explore STEM studies at university and the career opportunities that these subjects lead to. It provides access to information on student life, STEM projects and activities set by leading UK universities and global STEM companies, first year undergraduate lectures, live interactive sessions with academics, admissions tutors, employers and current students.

Whether young people are interested in life sciences, chemistry, biomedical, forensic science, robotics, food science, electronics, engineering, physics, computer science, sustainability, materials science, aerospace, built environment, tech or maths, we have something for them. With specially developed content and live sessions from universities including University of **Cambridge, Sheffield, Lancaster, Abertay, UCL, Oxford, Liverpool, Plymouth, Edinburgh, Birmingham, Warwick, Kingston, Nottingham, Strathclyde**. We will also have some fantastic workshops and careers guidance from organisations such as Innovate UK, GSK, GE, Tech Partnership, Rolls Royce and more.

The unique feature of this course is that students are able to access content from a diverse range of STEM subjects and will be able to tailor a course that suits their interest.

On successful completion of the course, which involves 30 hrs of study, students will receive a Silver Industrial Cadets award and be in a position to make a more informed decision for their UCAS application.

Visit us online
www.etrust.org.uk
@TheEDTUK
@IndustrialCadet

INSIGHT INTO UNIVERSITY

When is it?

The experience will run from **1st July until 23rd August 2024** and can be completed flexibly to fit around other commitments and study at a pace that suits individual circumstances.

Who is it for?

The experience is open to all students age 16+ and is suitable for all abilities, with activities that cover different levels of advanced study.

All students need is a genuine interest in STEM and inquisitiveness about what the future can hold for them and how they can help get themselves there.

How to apply?

Applications open on 4th March 2024. Visit our website <https://www.etrust.org.uk/insight-into-university> or scan the QR code to register your interest!

Cost: £95

Fully funded places are available if cost is a barrier, please indicate your interest on the application form

What our students say

"I've absolutely loved every minute of this course. I found the live sessions in particular very inspiring and informative, and all of the taster lectures were both accessible and challenging. I'm really excited to continue with my STEM studies."

"This course absolutely helped me with my future education and career path. The way I was able to choose which activities or lectures I wanted to complete was undeniably useful as it meant I could tailor a course to suit me. This was a thoroughly enjoyable experience."

"I really enjoyed the course and feel much more confident in applying to university having done it. The live sessions were very interesting and I was blown away by the wide range of choice of sessions."

92%

of students felt that the skills and knowledge that they gained from the course will have a positive impact on their future studies and career.

86%

of students felt confident or very confident in making their future study and career choices after completing the virtual experience.

Year 13 – Bangor University Webinars

Bangor University are offering a number of **FREE** workshops for those interested in *Criminology, Sociology & Social Policy*. **The Sunday Sessions** will launch on the 14th April 2024 and are a series of online workshops for students to attend. These sessions are fantastic for students looking to apply or that have already applied to degree programmes related to the subjects specified and are delivered by our academics. They'll certainly fill up that experience section of their personal statements!

Sunday Sessions

PRIFYSGOL
BANGOR
UNIVERSITY

Free to join

Criminology, Sociology and Social Policy at Bangor University is launching its first series of specialised hour talks on various fascinating aspects...

14th April 2024:
The Gender Pay Gap – Justifications and potential solutions.

21st April 2024:
Criminology goes to the cinema – Exploring theories through popular pop culture.

28th April 2024:
Anghydraddoldeb yng Ngymru. (Inequality in Wales) CYMRAEG.

5th May 2024:
Visual Criminology – The Images of crime.

12th May 2024:
Anti-Welfare Attitudes and the UK General Election.

19th May 2024:
Serial Killers – The View from Criminology.

ALL SESSIONS ARE DELIVERED ON TEAMS AND YOU CAN REGISTER VIA THE LINK ATTACHED TO THIS POST.

Year 13 – Not going to Uni: Next Steps workshops

BRAVE are hosting a free workshop for all year 13 students that have decided not to go to university, to help prepare them and get them ready for their next step into employment. See poster below for more details. If interested in attending, complete the registration form [HERE](#).

Are you finishing school this summer and looking for support with your next step?

Then look no further. We are running three free workshops for current year 13 students who are wanting to enter into employment after finishing school this summer.

The workshops will be informal, fun and full of insights where attendees will have the opportunity to explore the following four areas:

1. Gain an understanding of their strengths and how to best sell themselves
2. Learn tips and tricks with searching for their ideal role and make approaches
3. Support with CV drafting to set them up for success
4. Training on interview technique and preparation

We will be running these workshops at The Isbourne in Cheltenham on:

Thursday 9th May 4-7pm

Tuesday 18th June 2-5pm

Thursday 4th July 2-5pm

So if you know someone who is finishing school this summer and would like some support in their next steps then please send them this link to complete the registration form and we will be in touch.
