### All Years – Free Guides

The Success at school 2022/23 Parents guides to university and apprenticeships have been released. Both guides will be available for parents and carers to access for FREE and will be sent directly to your inbox along with a free bonus STEM careers guide. Please click on the link below:

[Success at School Parents Guide](#)

## NHS Newsletter

The NHS have launched a new weekly Careers and Apprenticeships newsletter containing details about upcoming events, current vacancies and other useful information about careers in the NHS.

In this week's newsletter, there are 2 live apprenticeship vacancies including a Level 2 Apprentice Production Chef and an Apprentice IT Solutions Technician. Click [HERE](#) to view the newsletter, apply for apprenticeships and jobs and sign up for events.

## Year 10 to 13 Law & Finance: Immersive career experiences

### Summer 2023

An opportunity (either online or in person at UCL) for students interested in the following industries; Law, Investment banking, Politics, Entrepreneurship and International Development, to learn about the career from top professionals and to receive guidance on university choices, interviews and applications.

Click the following link for further information and to book your space now:

[Our Programmes – InvestIN Education](#)

## Year 10 and 12 – University of Gloucestershire Summer Residentials

Applications are now open for the FREE Year 10 & Year 12 Summer Residentials which take place in July.

Experience university life first-hand by staying in halls of residence, meeting like-minded students and taking part in subject workshops and evening entertainment.

For a taste of what University life is like, use the links below to apply by **Monday 1<sup>st</sup> May 2023**.

[Year 10 - Tuesday 11 July - Friday 14 July 2023](#)

[Year 12 – Tuesday 4 to Friday 7 July 2023](#)

## Years 10 to 12 – Virtual Medic Conference

A FREE virtual Get into Medicine conference for aspiring medics is being held this weekend on **Sunday 26<sup>th</sup> March** 2.30-7.30pm and **Saturday 1<sup>st</sup> April** 2.30-7.30pm. This is an opportunity for students to receive tips and guidance on the UCAS application process for medicine.

Sign up for free using this [link](#).

## Years 10 to 13 – Virtual NHS Work Experience

The next NHS Allied Healthcare Work Experience date is **Sunday 2<sup>nd</sup> April 2023**.

During the work experience day, students will follow 2 patients from their initial presentation to recovery. They will gain a unique insight into how patients interact with a variety of healthcare professionals and what it's like to work in an NHS multidisciplinary team. This includes:

- Nursing
- Midwifery
- Paramedicine
- Physiotherapy
- Occupational Therapy
- Dietetics
- Radiography
- Prosthetics and Orthotics
- Speech and Language Therapy
- Pharmacy

Attendees will have the opportunity to interact with healthcare professionals throughout each day. This will empower students to make informed career decisions and demonstrate their commitment to healthcare in their UCAS applications.

Link to sign up [HERE](#).

## Year 11 to 12 – Ultra Engineering Summer School 2023

Ultra PCS, based in Hatherley, are running a summer school 7-11 August 2023.

The 5-day course is aimed at students entering year 12/13 in September 2023, who are interested in finding out more about a career in Engineering. Students will take part in a number of engineering-based activities, and will gain a basic knowledge of the key engineering domains, including mechanical, electronic, and software engineering. They will also have the opportunity to talk to current members of the Ultra Graduate Scheme, Undergraduate Placement students, and Engineering Apprentices.

Interested students should complete the application form [HERE](#) by the deadline on **28<sup>th</sup> April 2023**.

**ENGINEERING  
SUMMER SCHOOL**

ULTRA | PCS

IN PERSON AT OUR CHELTENHAM OFFICE  
MONDAY - FRIDAY | YEAR GROUPS  
7-11 AUGUST 2023 | 11-13

SCAN ME

The poster features a yellow and white geometric design on the right side, with a photograph of a student working on a robot. The text is arranged in a clean, modern layout with bold headings and clear information.

## Year 11 to 13 – Volunteering opportunity at Gloucestershire Wildlife Trust

Gloucestershire Wildlife Trust (GWT) are currently recruiting for volunteers age 16-25 to join their Youth Advisory Group (YAG). A great opportunity for those who are passionate about nature and the environment to learn new skills, make connections in the nature and environment sector and enhance their CV. For information about the role of this group and how to apply click [here](#).

## Year 11 to 13 – Apprenticeships at Severn Trent

Apprenticeship opportunities are now LIVE and OPEN! We offer apprenticeships right across our business. Whether you're looking hands-on or office-based work, there's something for you.

Our apprenticeships range from 1 to 4 years, and the qualifications you'll get range from level 3 (equal to an A-level), to level 6 (equal to a degree).

We have schemes for everyone. We want to hear from you, no matter what your journey has been like up until this point.

Your ambition is our future, and we can't wait to see you grow.

Click this [link](#) for further information. Applications close on **24<sup>th</sup> March 2023**.

### Year 11 – Apprenticeship opportunities at Specsavers

An apprentice at Specsavers provides firm foundations for lifelong careers in Optometry and Audiology. For further information about the opportunities available, please click [HERE](#).

### Year 11 and 13 – BAe Systems

2023 applications are now open – offering Intermediate, Advanced, Higher and Degree apprenticeships.

Curious to learn and ready to grow? You can be the future of BAE Systems. With apprenticeships you'll get paid while you gain job-specific training and experience. Set yourself up for a great career and play your part in creating the next generation of products and services that will secure all our futures. Click [here](#) to discover more about Bae Systems apprenticeships.

### Year 11 – Cotswold Motor Group Apprenticeship Open Evening

There is an open evening at Cotswold Cheltenham for potential Apprenticeship candidates on **21<sup>st</sup> March 2023**. This is an opportunity for anyone actively looking for an apprenticeship as well as anyone who wants to find out more about what an apprenticeship at Cotswold would be like. To see the state-of-the-art Cheltenham facility and how you can build your career with us.

Register your interest by clicking [here](#). Spaces are limited.

## Year 11 to 13 – DePuy Synthes Work Experience opportunities

**DePuy Synthes**  
THE ORTHOPAEDICS COMPANY OF Johnson & Johnson

Do you want to kick start your career, meet real world STEM professionals and gain a deep insight into the world of medical engineering? Then the DePuy Synthes Work Experience Program is for you!  
Age: 16-19

**What is Medical Engineering?**  
Medical engineering fills the space between medicine and engineering, supplying doctors with the equipment they need to save lives, helping millions of people worldwide live happy, healthy lives. Combining engineering with biology, bioengineers work to provide solution to all problems facing the human body

**Highlights:**  
The work experience we offer is a fantastic way to get hands on experience on how we create medical implants, we have loads to offer you including:  
• Interactive Resources  
• Virtual Site Tours  
• Careers Discussion  
• CAD Workshops

**Roles explored:**  
We'll take you on a whirlwind tour of all the different engineering roles involved in getting a medical implant on the market, including:  
• Bioengineer  
• Design Engineer  
• Quality Engineer  
• Test Engineer

For students to apply, scan the QR code above:

# INVESTIN WEBINAR FOR PARENTS: SUCCESS BEYOND SCHOOL

InvestIN are delighted to be hosting a complimentary webinar for the parents at Cheltenham Ladies College and the surrounding schools. This lunchtime event is open to parents of all years, so please do come along!

 **WHEN?**  
Friday 24th March | 2:00 - 2:30pm

 **WHERE?**  
This is a virtual event. You can [attend via this Zoom link](#).

**WHAT WILL BE DISCUSSED?**

- **The Job Market of the future:** Understanding how the market has changed through the decades and addressing the workplace environment your children will be entering.
- **Shift to a skill focus:** Highlighting why transferable skills are becoming increasingly essential for employers and how these can be utilised open doors to opportunity.
- **What to do from today:** Providing ways in which students can best prepare for their future careers right now, with some top tips for how you as parents can best support your child.

InvestIN are an organisation dedicated to bridging the gap between school and industry by providing immersive career experiences for students aged 12-18. These opportunities take place at weekends and during the summer, both live online and in person.

InvestIN opportunities have always been popular with students across your schools and we would love to help even more students choose their future with confidence and fully maximise their potential!
