Gloucestershire's Economic Strategy

An new economic strategy is being prepared for the county.

Key topics and priorities which feature in the new strategy will include:

- Zero carbon - the move towards a net carbon zero economy is one of the main principles of the economic strategy
- Inclusive growth - to ensure every resident and business has equal access to opportunities
- Skills and employment - drawing on the existing work of the county council, the district councils and GFirst LEP to reduce skills gaps in the workforce

Other key areas include supporting sustainable growth, ensuring businesses have the support they need, securing inward investment and improving access and availability to digital technology.

The transition to the green economy is an urgent priority for Gloucestershire and the aim is to meet the 2045 net zero emissions target while promoting economic growth.

Dietetics Taster Day

14TH FEBRUARY 2024

Are you aged 16 or above?

Are you studying?

- Science
- Health and Social Care
- Food Technology

Come along to find out what a career in Dietetics is like!

Deadline for applications: 29th January 2024

Please email gln-tr.careers@nhs.net to express interest.
The Taster Day is for students in Year 11 and above and an application process will need to be followed.
Please provide us with your full name, email address, school attending and school year.

Years 9 & 10 – Hartpury College Subject Experience Days

Hartpury college are offering a selection of subject experience days. These are taking place during the school holidays and are aimed at widening participation in higher education. An application form needs to be completed and places will be allocated to those who meet their widening participation criteria which includes free school meals, ethnic diversity, in care/care experience. If you are unsure, come see us in the careers hub.

Sport Subject Experience Day – **14th February 2024**. Application form found [HERE](#).

Year 10 – Work experience week 2024

Work experience week for Year 10 is the week of **22nd – 26th April 2024**. Please spend some time contacting employers that are of interest to you to see if they can offer work experience. Some employers get booked up far in advance for work experience, so it's important to make contact early to give you the best chance of securing a placement. Once a placement is secured, details need to be uploaded onto the Unifrog platform. The deadline for securing your work placement and uploading onto Unifrog is **17th February 2024**.

If you would like any help with work experience, either with contacting employers or with the online forms, please come see us in the careers hub in sixth form or contact us via email at careers@bournside.gloucs.sch.uk.

Year 10 to 11 – BGGC Sponsored Cadet Scheme

**ARE YOU BETWEEN 14 AND 16
WHY NOT LEARN TO FLY – PART SPONSORED?**
AT THE BRISTOL AND GLOUCESTERSHIRE GLIDING CLUB

Another 14 year-old goes solo!
No qualifications required - Just enthusiasm and determination

TRAIN WITH OUR INSTRUCTORS... **... AND GO SOLO!**

FOR MORE INFORMATION VISIT www.bggc.co.uk/cadets
Nympsfield, Gloucestershire office@bggc.co.uk www.bggc.co.uk
Tel: 01453860342

Bristol and Gloucestershire Gliding club run a Flying (Gliding) Scholarship scheme for 14 to 16 Year olds. This year, the scheme will part fund 4 students to fly up to solo standard. The club will thereafter part fund the cadets continuation training for a further year. For more information and an application form, scan the QR code in the poster or come see us in the Careers Hub.

Year 10 to 12 – NHS Cadets Programme

NHS Cadets is a youth volunteering program established by NHS England and is delivered in partnership with St John Ambulance, alongside local NHS trusts and healthcare providers. This unique program offers young people aged 14 to 18 the chance to explore careers in the healthcare sector through valuable volunteering experiences. NHS Cadets is being launched for the first time in Gloucestershire, with the first intake set for January 2024. See poster below for further information.

[Foundation Programme](#)

[Advanced Programme](#)

The poster features a black box on the left with the text 'WE WANT YOU' in large, stylized letters. Below it, it says 'Explore a future career in health and social care' and 'One Gloucestershire'. To the right, the text 'NHS Cadets' is prominently displayed. Below this, the NHS logo and 'Cadets' are on the left, and the St John Ambulance logo and name are on the right. The main body of the poster contains several paragraphs of text and two QR codes at the bottom.

NHS Cadets

NHS
Cadets

St John
Ambulance

Register your interest today for the Gloucestershire January 2024 intake!

Unlock your potential by becoming an NHS Cadet. Developed by St John Ambulance in collaboration with the NHS, this program offers a unique chance to explore the various areas of health and social care.

The NHS Cadets programme provides two options for young people aged 14 to 18; a foundation pathway for young people aged 14 to 16 and an advanced pathway for those aged 16 to 18.

Joining NHS Cadets means you'll have 2-hour virtual sessions every week for 36 weeks. It's a cool way to learn a lot about health and social care. The best part? It won't cost you anything! So, you can explore, have fun, and learn new skills without worrying about money.

Throughout your journey, the dedicated NHS Cadets Team will be by your side, offering you support and guidance. Regardless of your background, NHS Cadets welcomes a diverse array of individuals—there's no such thing as a 'typical' NHS Cadet. So, grab the chance to broaden your horizons, gain essential skills and enjoy getting to know other NHS Cadets!

Your NHS Cadets experience also fits seamlessly into the volunteering or skills sections for bronze, silver, or gold Duke of Edinburgh's Award (DofE). It's a versatile opportunity that not only meets the criteria but also adds a meaningful dimension to your DofE journey.

If you wish to discuss NHS cadets, please don't hesitate to email one of our friendly team at nhscadets@sjambulance.org.uk

14-16 years sign-up

16-18 years sign-up

Year 10 to 12 – Get into Medicine UCAS Conference

A FREE virtual Get into Medicine conference for aspiring medics is being held on **Saturday 27th January 9.30am – 3.30pm**. This is an opportunity for students to receive tips and guidance on the UCAS application process for medicine; including CV building, work experience, medical school interview tips and perspectives from recent successful applicants.

Sign up [HERE](#)

Year 10 to 12 – Live virtual NHS Healthcare careers work experience programme

Allied Healthcare Mentor are running monthly virtual work experience days for students interested in a career in the NHS. The next virtual work experience day is **4th February: Geriatrics & Recovery**. For more information and to sign up, please click [HERE](#).

Year 10 to 12 – Get into Dentistry Conference

A FREE virtual Get into Dentistry Conference on **Sunday 28th January 9.30am-3pm**. This comprehensive conference covers all of the essential requirements for applying to dental school and provides invaluable tips on how to stand out from the crowd. With informative sessions led by experienced professionals, you'll gain an understanding of what dental schools are looking for, learn how to perform phenomenally in interviews, and discover the importance of extracurricular activities in your application. Find out more and sign up for free using this [link](#).

Year 10 & 12 - Various work experience opportunities

We receive details from various local employers about work experience opportunities at their organisations. If you are interested in any of the placements below, please come see us in the careers hub where we can provide further information and application forms.

Gloucestershire Wildlife Trust (Y10 only)

GWT offer challenging and enjoyable work experience placements for year 10 students. Each week includes the opportunity to experience working with a variety of the teams, from Land Management to Communications. GWT can offer either 1-5 July or 8-12 July. More information and an application form can be found [HERE](#). Application deadlines are **18th February 2024**.

Renishaw

Applications for their 2024 work experience programme is now open. They have opportunities in both Engineering and Software. Applications close in early February (earlier if they reach capacity prior to this date). Further information [HERE](#).

Willans LLP Solicitors

Willans, based in Cheltenham, have work experience placement opportunities for students interested in a career in the legal sector. Students have to apply via an application form and successful candidates will gain a placement. For more information and an application form, come see us in the careers hub in sixth form. Application deadline is **22nd March 2024**.

Moog Tewkesbury

Moog have work experience opportunities for students interested in engineering. They require submission of a CV and a covering letter. If interested, come see us in the careers hub.

Accounting/Finance (Y10 only)

We have an opportunity for a Y10 student to undertake work experience in the accounts/finance department of a local secondary school. If anyone is interested, come see us in the careers hub. This placement will be allocated on a first come, first served basis.

Year 10 to 13 – Free virtual career webinars

ARE YOU PASSIONATE ABOUT A CAREER IN THE FOOTBALL INDUSTRY?

THE FOUNDATION DEGREE IN COMMUNITY FOOTBALL COACHING AND DEVELOPMENT PROVIDES YOU WITH AN OPPORTUNITY TO GAIN AN FA COACHING AWARD WHILE BEING AFFILIATED TO YOUR LOCAL EFL TRUST FOOTBALL CLUB.

You'll learn about children and youth coaching, football coaching, football development, social inclusion, and sports management skills.

This award-winning community football coaching course, designed in conjunction with the English Football League Trust, develops the skills and qualities that are required to work within professional football clubs' community departments or national governing bodies in areas of growth such as social inclusion, community coaching and football development.

Predominantly based at Cheltenham Town Football Club, the course is carried out on an online learning platform to study a variety of sports development topics. This is combined with placement hours with the trust, delivering across many areas within football such as after school clubs and holiday camps, allowing learners to gain valuable hands on experience and an opportunity to progress into employment.

The trust will have designated tutors to support learners with their studies, whilst the placement hours will be completed alongside our community coaches, some of which have come through the pathway we provide at the trust, to ensure all learners feel comfortable and supported.

Year 12 – PwC: Pathway to Flying Start

Female Year 12 students thinking of pursuing a career in Accounting or Technology that meet the criteria outlined below and would like to sign up to the program, are asked to see us in the careers hub for more details.

PwC: Pathway to Flying Start Year 12

Do you want to learn about apprenticeship and degree apprenticeship opportunities with PwC which are focused on Technology and Accounting?

This programme gives you the opportunity to network with professionals at PwC, develop core employability skills, and understand what it would be like to join PwC as an apprentice. ([view opportunities here](#)). You will be given a crash-course on the application process, while working alongside like-minded peers at the PwC offices in Birmingham or Manchester.

Eligibility criteria:

You should:

- Identify as female.
- Currently be in Year 12
- Be on track to achieve 136 UCAS points. (Accounting and Technology) or 112 UCAS points if interested in the Manchester 'work first' tech degree apprenticeship (accredited by the Open University).

And you must meet at least ONE of the following criteria:

- Are or have been eligible for free school meals.
- The first person in your immediate family to attend university.
- Attend a TTF eligible school or college (please check with your teacher)

Location: Three in-person workshops at PwC's offices in Birmingham or Manchester.

Dates:

Manchester:
Tuesday 27 February 2024, Tuesday 25 June 2024 and Tuesday 24 September 2024

Birmingham:
Wednesday 6 March 2024, Wednesday 26 June 2024 and Wednesday 25 September 2024

Time: 09:30 to 12:30

What students say:

"The programme provided a valuable insight on what to expect in the PwC course. There were great opportunities to network throughout, and it constantly kept me engaged."

Arjun
Drayton Manor High School

Year 12 – Study in the North! Webinar and Live Q&A

Join us as the Universities of Lancaster, Sheffield, Newcastle and Sunderland talk through the benefits and opportunities that come from studying in the North of England. This webinar will introduce the North to those who are less familiar with the region, followed by a quick insight into the respective universities. Most valuably, there will be a Q&A session with current student ambassadors from each institution, where attendees will be encouraged to ask any questions they have about studying in the North and how to make informed decisions about choosing where to study.

When: Thursday 29th February 2024

Time: 17:30-18:30

To sign up for the event, please register [here](#) and we will send out the joining link in due course.

Year 12 & 13 – St James' Place Apprenticeship and Internship opportunities 2024

Apprenticeships

St. James's Place 2024 Apprenticeship programme applications are now open. This is the perfect opportunity for students to gain invaluable work experience at a renowned business, whilst gaining up to a Level 7 (Masters level) qualification, all paid for. Our apprentices are hired on permanent contracts and are valuable members of staff, progressing into higher roles and taking on more responsibility quickly after finishing the programme.

Our starting salary is over £20,000, with this rising to over £25,000 annually once your year as an apprentice is complete. There is an opportunity for everyone, with roles in many business areas including IT, Technology, Software, Digital Content, Financial Services, Accountancy, Data and so much more.

Visit the [SJP Early Careers Webpage](#) to view roles available and to apply.

Internships

Are you a Year 12/penultimate year college student and looking to gain 4 weeks-worth of paid work experience? Why not check out our Internship programme!

Our Internships are designed for students who are interested in undertaking an Apprenticeship in the sector once they have finished their studies. This is a brilliant opportunity to gain invaluable work experience to enhance your CV and get a taste of what it is like to be an Apprentice before applying when eligible. The 4-week placement is paid a comfortable wage and is conducted over the summer of 2024. Our opportunities include Financial Services, Financial Crime and Compliance. Visit the [SJP Careers](#) site to learn more and apply.

Year 13 – Engineering Development Trust Year in Industry schemes

EDT's, The Year in Industry (YINI) Placement scheme, helps place school-leaving students into paid 12-month long placements into all areas of engineering, science (particularly physics), technology/electronics, maths, business, marketing and finance across the UK. If you are interested in a 12-month placement after completing A-Levels, sign up [HERE](#) to register your interest and keep updated on the latest opportunities.
