- AI in Finance - <https://www.skillsgap.tech/workshops/ai-in-finance>
- Coding for Game design - <https://www.skillsgap.tech/workshops/coding-for-game-design>
- Robotics in Space - <https://www.skillsgap.tech/workshops/robotics-in-space>
- AI in Medicine - <https://www.skillsgap.tech/workshops/ai-in-medicine>

Year 11 – Apprenticeships at TBS Engineering

TBS Engineering are currently recruiting for apprentices for a September 2023 start. They have an open afternoon on **Wednesday 22nd February**. See below poster for information or click this [link](#).

Year 11 – Apprenticeships at Borg Warner

There are currently 15 apprenticeship vacancies at Borg Warner, so if you're looking for a career in engineering then they may be the right company for you.

Borg Warner apprenticeship recruitment open day is taking place on Thursday February 16th, between 12.00 – 20.00. No appointment is necessary, and the event will allow prospective apprenticeships applicants an ideal opportunity to learn more about the business, find out from our existing apprentices exactly what they can expect from a BorgWarner apprenticeship and undertake a guided tour of the plant, importantly asking any questions that they may have. You are also encouraged to bring along family and friends too.

Further information about the Borg Warner apprenticeship recruitment open day can be found here:

<https://bournside.sharepoint.com/:b:/s/SharedAdmin/EVwJNAdMniCjpWurw838JOBWc46wCw1nbGWe5SuDXUzag?e=zK9un0>

Year 11 – Apprenticeship opportunities at Specsavers

An apprentice at Specsavers provides firm foundations for lifelong careers in Optometry and Audiology. For further information about the opportunities available, please click [HERE](#).

Year 11 and 13 – BAe Systems

2023 applications are now open – offering Intermediate, Advanced, Higher and Degree apprenticeships.

Curious to learn and ready to grow? You can be the future of BAE Systems. With apprenticeships you'll get paid while you gain job-specific training and experience. Set yourself up for a great career and play your part in creating the next generation of products and services that will secure all our futures. Click [here](#) to discover more about Bae Systems apprenticeships.

Year 12 and 13 – MBDA and EDF Work Experience Days

There are spaces remaining on the MBDA and EDF work experience days on 15th and 23rd February. Anyone interested in a STEM career can sign up for these experience days by clicking the following links.

Year 12 and 13 – SJP Apprenticeship and Internships

SJP Apprenticeship and Sixth Form Internship opportunities for 2023 are now live on their website!

Apprenticeships

The Apprenticeship programme at SJP is a brilliant way to kick start your career once you have completed your A-levels/BTEC triple award or equivalent. Candidates must hold GCSE Maths and English at a C/5 grade. We have a huge variety of opportunities around the business including Risk, Investments, Private Clients, Property, Finance and more. You are able to study whilst you working, completing a level 3+ qualification, with opportunities to further study once completed the programme. Apprentices are paid £18,155 and are hired on a permanent contract.

Applicants must be in their final year of Sixth Form/College to apply.

Internships

Sixth Form Internships are a great insight into what it may be like to work as an Apprentice in the financial services industry. The internship is a 4-week paid opportunity in either our Partner Lending team or in our Business Development & Advice team. This internship will provide you with invaluable work experience that will set you up for your future career, and is also a pathway into the Apprenticeship programme. Successful interns will fast track the application process for an apprenticeship role of their choice (of those available).

Applicants must be in their penultimate year of Sixth Form/College, and will have a desire to pursue an Apprenticeship with SJP.

If you have any questions or issues with applying, please contact the team using the email: early.careers@sjp.co.uk

Please find the 2023 Apprentice and Intern opportunities by following the link:

Year 13 – IBM Apprenticeships

IBM Apprenticeships – Applications now open!

New year means new opportunities at IBM! Applications are now open for many of our apprenticeship schemes. We are hiring for both degree and regular apprenticeships and have opened applications to coincide with national apprenticeship week (6th – 12th of February 2023).

- Opening Monday 6th of February 2023 - Level 4 Junior Management Consultant, DevOps and Test

[IMB Careers](#)

Year 13 – Accountancy, Tax or Audit Apprenticeships at Crowe LLP

Early career opportunities are available at the Cheltenham office of Crowe LLP. Click [HERE](#) for further information.

Year 13 – Amazon Apprenticeships

Applications will be opening on February 6th 2023 to coincide with National Apprenticeship Week.

There are roles based across the UK for a number of Amazon's businesses including:

Finance
Project Management
Broadcast Production
Buying and Merchandising
Corporate Responsibility and Sustainability
Data Analysis
Digital Marketing
Human Resources
Content Production
Marketing
Sales and Account Management
Software Development
Safety Specialist
Supply Chain
Mechanical Engineering
Business

[Amazon Apprenticeships](#)

Year 13 – BBC Fast Track Apprenticeship

Get experience with our BBC production teams making world-class content for our audiences on radio, TV or digital platforms. We have a wide range of exciting roles on offer across the whole of the UK. You'll learn on-the-job as part of a BBC production team, developing your knowledge and skills in an area that interests you, while working towards your apprenticeship qualification.

Start date: September 2023

Duration: 18 Months

Salary: £19,500 (+ London, Guernsey and Jersey Living Allowance of £4,918) **Contract**

Type: Fixed Term Contract

<https://www.bbc.co.uk/careers/trainee-schemes-and-apprenticeships/production/fast-track/>

Year 13 – Hazlewoods Accountancy Apprenticeships Still Open

They are currently recruiting for school-leavers to join the September intake of AAT Accountancy Apprentices. 13 places still remaining!

Ask for predicted A Level grades of BBC and Grade 6 for both GCSE Maths and English Language.

Here is the link to our application website [Hazlewoods apprenticeships](#)

Year 13 - Solicitor Apprenticeship

Allen & Overy are offering a 6 year apprenticeship that has been designed to provide individuals with everything needed for a successful career in law. This a London based opportunity with a starting salary of £25,000 and all tuition fees covered.

Closing date for applications: Thursday 16th February

For more information, click the following link: [Allen & Overy Apprenticeship](#)

Year 13 – Civil Engineering degree apprenticeship

Three positions are available at Simpson Engineering based at their offices in Gloucester. You will join as an apprentice civil engineer and begin your degree in September 2023. A starting salary of £15,000-£16,000 with all tuition fees covered.

For more information and to apply, click the following link: [CAREERS | Simpson TWS \(simpsoneng.com\)](#)

Year 13 – Apprenticeship vacancies at St James Place

St James's Place

Applications for SJP Apprenticeships Programme are now open. Click [HERE](#) to search and apply for roles.

Our Apprenticeship Programme is a fantastic alternative to university and provides an opportunity to complete a funded and supported qualification whilst you work within one of our divisions, gaining on-the job work experience and training.

We employ our Apprentices on a permanent contract and have created a unique development programme – with support provided throughout from your line manager, our dedicated Early Careers team and the wider business

We offer Apprenticeships in various departments across our business. Qualifications will be tailored to your specialism and are delivered as blended learning, self-study and online. Please note that the majority of our opportunities are based at our Head Office in Cirencester.
