Virtual Careers Fair

Wednesday 9th February, 5-7pm

Join our Future Choices virtual careers fair to explore future career paths post-16 and post-18.

View live streams from;

- Local colleges
- Businesses
- Universities

All details for this Virtual Careers Event will be sent out to parents on Monday.

NHS Allied Work Experience Programme

Students who wish to participate in the session on 5th February still have time to register and can register individual spaces or you can register them as a group online on the following link:
<https://alliedhealthmentor.org/nhs-healthcare-careers-virtual-work-experience/>

All students will be awarded with a Work Experience Certificate for participating in the day. This is something that they can include in their UCAS and Apprenticeship Applications. The next Work Experience day is on the Sunday 6th February and will cover the following healthcare careers:

- Nursing
- Midwifery
- Paramedicine
- Physiotherapy
- Occupational Therapy
- Dietetics
- Radiography
- Prosthetics and Orthotics
- Speech and language therapy
- Pharmacy!

The virtual work experience day will take place through an online portal and run LIVE from 10am-5pm, following 2 patients from their initial accidents through to recovery. Students will see them interact with a variety of healthcare professionals listed above so that they develop an understanding of the multidisciplinary team as well as insights into their own chosen career.

Students will also have the opportunity to interact with the healthcare professionals via a LIVE Chat function and polls throughout the day!

The cost to attend is **£10/student per session**, which is just an administrative cost to cover the set-up of individual portals, personalised certificates, safeguarding, the technology on the day, such as our servers and chat functions.

Medicine Conference

Your aspiring medical students years 10/12 - S3/S5 students are eligible to attend both of the LIVE VIRTUAL UCAS Get Into Medicine Conference and the Insight Into Medicine Conference for FREE. Students who attend both conferences will also automatically be enrolled onto the FREE Medic Mentor Work Experience programme.

Once students have attended, they will be awarded with a certificates from the Presidents at Medic Mentor to acknowledge that they are a student who has gone one step further than others. Both conferences are a significant turning point for students. It will unlock exclusive opportunities such as scholarships and prizes, as well as help you to make a highly competitive application.

Applications open for

Economist Degree Apprenticeship

Over 60 vacancies available with the Government Economic Service

The Government Economic Service has launched their Economist Degree Apprenticeship programme for 2022.

Starting in September 2022, applications are open now for over 60 vacancies nationwide, with departments such as the HM Treasury and the Department for Work and Pensions.

This is a brilliant opportunity to work in a central government department or agency on some of the most important social, environmental and economic issues our country faces.

Applications close on Monday 14th February at 11.55am.

Please contact Careers if you would like the link to this apprenticeship.
