Get Into Medicine Conference

If your students have any questions or worries about a career in medicine or their application to medical school in general, I would love to answer any questions they have. I can meet them at any of our free LIVE Get into Medicine UCAS conferences that take place online at the weekends.

Your students will be awarded with attendance certificates, which they can use for their UCAS applications too! These events are suitable for students in year 10-12, S3-S5 and 11-13NI

They can register for free using the coupon code: teacher22 at this link:
<https://medicmentor.co.uk/medicine-national-healthcare-weekend/>

Here is an overview of the programme:

09:30 - 10:15 Quick introduction to Medic Mentor, overview for the day, competition ratios, application timeline, Awards and Scholarships

10:15 - 10:25 Break

10:25 - 11:20 Sections on the UCAS application, subject choices, entry requirements and creating our medical CVs!

11:20 - 11:30 Presentation from a successful Applicant (Medical Student)

11:30 - 12:15 Personal Statements

12:15 - 12:25 Break

12:25 - 12:40 Entrance Exams: UCAT & BMAT

12:40 - 12:55 Medical School Interviews

12:55 - 13:25 Harnessing Opportunities and Extracurricular Activities

13:25 - 13:30 Summary and questions

Upcoming Conference dates:

Sat 12th Feb

Sun 13th Feb

Sat 26th Feb

Sun 27th Feb

Sat 5th March

Sun 6th March

If you or your students have any questions, they can give the doctors a ring on the Mentor Helpline number Mon-Fri 10am-5pm.

Ford: Apprenticeships & Virtual open evenings

Randstad are currently recruiting for new talent at Ford Motor Company: looking for Advanced Engineering Apprentices, Higher Engineering Apprentices, and Degree IT Apprentices. We would love to be able to spread the word to as many enthusiastic potential candidates looking to move forward in the subjects they enjoy and to gain experience both academically and in the workplace.

Please note we will be holding online virtual open evenings for each apprenticeship scheme over 3 days in February

(Monday 7th: Degree IT, Tuesday 8th: Advanced Engineering, Wednesday 9th: Higher Engineering)

Please contact the Careers department if you would like the link to this event.

Free Virtual University & Careers Fairs + Meet The Russell Group

The UK University & Apprenticeship Search Virtual Fair is returning on Wednesday 30 March with a wide range of exhibitors from around the UK. Students can get answers to all of their questions and participate in 10 live webinars on the day. This is a fantastic opportunity for students in years 12 and 11 to find out more about the options available to them and get answers to any questions they have. The event will also help any undecided year 13s looking to apply in UCAS Extra or Clearing, along with helping students narrow down their firm and insurance options.

The Meet the Russell Group virtual event is back on **Wednesday 27 April** featuring all 24 members of the Russell Group. New for 2022 the event will be split into two sessions, each with a different focus and programme. Students interested in studying at a Russell Group university can also take part in two insightful warm up webinars on **Wednesday 20 April and Monday 25 April**, each providing a unique insight into life at a Russell Group university.

Ministry of Defence

Find your flair

Plan your flourishing career

We're Defence Equipment & Support (DE&S) and we're here to protect and provide for the UK's armed forces, all over the world. We procure and maintain the newest protective clothing for those on the front line. Smarter tech for radar systems. Safer vehicles for land, sea, air. We ensure that every individual in the UK military is fully equipped and protected, as they protect life both at home and overseas.

Within DE&S there are a wealth of opportunities to learn and grow doing what you love. And what sets our apprenticeship and graduate schemes apart is the focus we give you. Our schemes help you find your unique spark.

We're currently offering apprenticeships in:

- Engineering Advanced
- Engineering Degree
- Digital Technology Degree
- Finance and Accounting

And there's a new Corporate Services Degree Apprenticeship Scheme opening soon. Please let your Careers department know if you would like more information.

We are pleased to announce the launch of our Early Careers programme at our Bupa Richmond Village in Cheltenham.

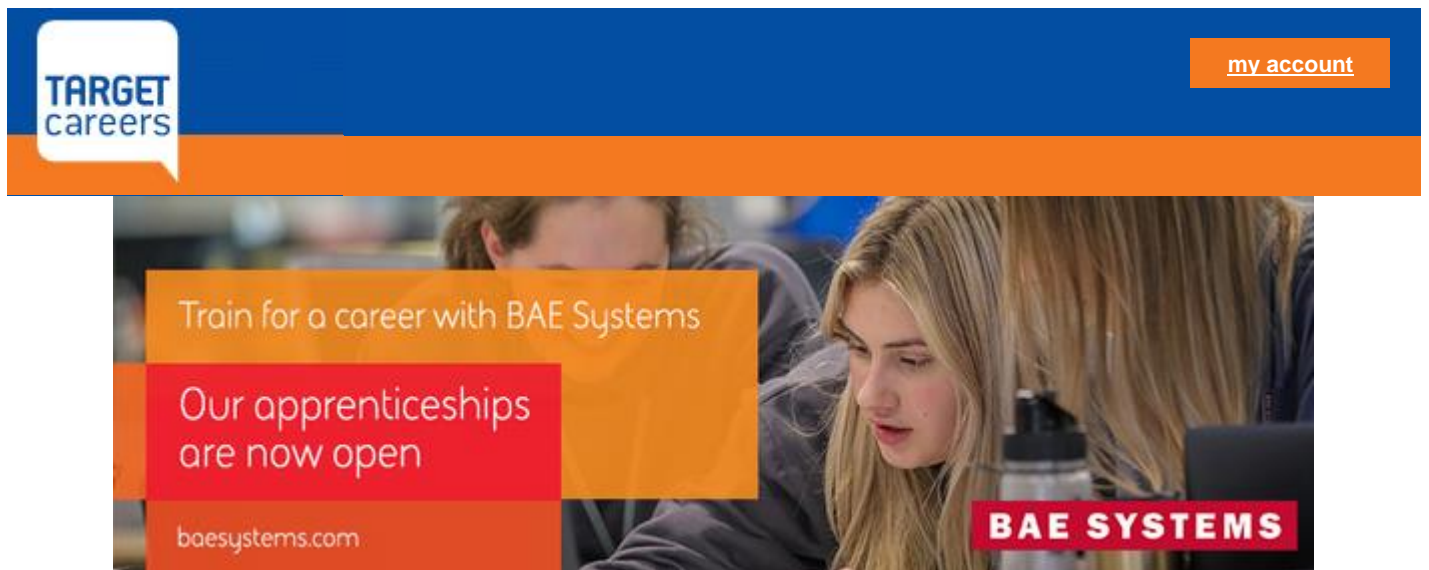

I would be delighted to have the opportunity to connect with your students to offer you all a wealth of opportunities to support your learning and help to excel your career.

We have a variety of offerings including:

- **Student Placements**
- **Further Apprenticeship opportunities in Health & Social Care**
- **Interactive clinical and career focussed presentations from us to your Health & Social Care students**
- **Part Time Flexible work opportunities for students**

If you would like to have a conversation with me about any of the above, please do just let me know when would suit you best and we can arrange a call.

BAE SYSTEMS 2022 APPRENTICESHIP PROGRAMMES!

About our apprenticeship programmes

With a wide range of programmes available, we're confident you'll find an opportunity that will inspire you. Designed for those who have, or are about to, complete GCSE's (or equivalent) onwards; opportunities span areas such as Engineering, Business and Finance – from intermediate to degree level.

Your career with us

Apprentices are our future, so we invest in yours. We recognise the vital part they play in our success, so you'll be encouraged to bring your unique perspective and showcase your ideas right from the start. Many of our colleagues began their career as an apprentice, and each one of your team will be passionate about guiding you on your own journey.

Who we are

At BAE Systems we serve, supply and protect those who serve and protect us. Ours is a culture that values diversity, rewards integrity and merit, and is a place where everyone has the opportunity to fulfil their potential, no matter what their background.

Making a difference

At BAE Systems, we're not just proud of what we do, we're proud of how we do it. So when you join us, you'll be part of an inclusive culture that's committed to working to the highest ethical and environmental standards, making a positive contribution to the countries and communities in which we operate.
