## Year 13 - UCAS Events

### **UCAS opens 7 September 2021**

As you may be aware, students can submit their applications on UCAS for 2022 entry from 7 September. This means that from 7 September, we'll be accepting applications for our BA (Hons) Early Years Development and Learning degree and Norland diploma integrated course.

To help your students apply, we'll be holding a Virtual Admissions and International Students Q&A on **Wednesday 22nd September 5-6pm** via Zoom.

Our Vice Principal, one of our Admissions Managers and our International Student Manager will be delighted to talk students through the application process and answer those all-important questions. Careers advisers and teachers are very welcome to join this session as well!

[Book now](#)

### **Open day – Saturday 2 October 2021**

We're absolutely thrilled to welcome students and their families back to Norland at our next open day which will be held on **Saturday 2nd October 2021**.

Our staff and students can't wait to speak to prospective students face to face and tell them all about what makes Norland such a special place and what being part of the Norland family is really like. We know how important it is to students to have the opportunity to visit our campus and get a feel for what it would be like to study at Norland. We hope to see your students there!

# RAF VIRTUAL EVENT

## Year 13 - DR.EAM Senior Virtual Conference

Birmingham Widening Access to Medical Sciences society (BWAMS) is hosting its annual **DR.EAM Senior Conference** this year. The DR.EAM Senior Conference is a **free** outreach event aimed at **Year 13 students** who are considering a career in medicine.

We aim to inspire and inform students about a career in Medicine. We will provide students with insight into life as both a medical student and doctor and advice on the next steps to prepare for an application. The day will consist of inspiring talks and panels made up of doctors and medical students from around the country. This will include an application crash course, interview advice and a Q&A panel with medical students and doctors.

Widening Access at the Medical School will be helping us in the selection of these students according to the University's widening access selection criteria, with priority given to pupils from areas with a low number of students attending University for this event.

We encourage you to share this opportunity with your Year 13 students. This **free virtual conference** gives students the chance to learn more about a healthcare career and all it has to offer!

- Date: **Saturday 25<sup>th</sup> September 2021**
- Time: **9:00am to 3:00pm**

**ARE YOU A FUTURE DR?**

**DR.EAM Senior**

**Virtual Year 13 Medicine Admissions Conference**

**A free national event for state school pupils.**

Application support, interview advice talks from doctors, life as a medical student, Q&A panels and MORE!

Saturday 25th September 2021  
9am to 3pm

Birmingham Widening Access to Medical Sciences

**BWAMS**

<https://forms.office.com/r/zXOfyvdx8>

**What can you expect?**

The day will consist of inspiring talks, and panels made up of doctors and medical students from around the country.

**Day in the Life**

Learn all about the typical working day as a medical student, and hear from doctors about their experiences working on the NHS frontlines.

**Introduction to Medical Ethics**

We aim to give you a glimpse into the foundations of medical ethics and some common themes that come up throughout the application process, medical school, and a career in medicine!

**Application Crash Course**

Want some last minute personal statement tips? Does the BMAT leave you a bit confused? Wondering what interviews are all about?

Join us for three short talks running through essential tips on tackling important next steps in your application process.

**Debating and Hot Topics**

Being aware of important issues in medical practice and research is an important asset in your application and interviews, and it's always helpful to be aware of both sides of the conversation.

We hope to point you to some helpful resources in keeping up to date, with everything happening in the world of medicine and equip you with some techniques to be able to think about them critically.

**Strategic Applications**

We cannot stress enough how important it is to play to your strengths when applying to do medicine. Join the **We Are Medics** team in this talk to learn all about maximising your chances of getting interviews and offers from the moment you choose which medical schools to apply to.

**Dealing with Rejection**

Because we know things unfortunately do not always go to plan, we also want you to know that a rejection now does not mean the end of the road for your journey into medicine, but rather show you all the other doors that open up if this one closes.

### Upcoming Virtual Autumn Events

For Years 12 & 13

Free Virtual Fairs & Webinars in September & October

We hope you had a lovely summer holiday. We're excited to announce our upcoming free virtual fairs and webinars this autumn term to help support you as you make important decisions about life after Sixth Form or College.

Following popular demand, we will be hosting a brand new [UK University & Apprenticeship Search](#) virtual fair on Wednesday 20 October, and the [Meet the Russell Group](#) virtual experience will be returning on Wednesday 29 September, with all 24 members of the Russell Group.

### UK University & Apprenticeship Search Fair

Wednesday 20 October | 12:00 - 18:00

Our UK University & Apprenticeship Search Virtual Fair will be returning on 20 October to help you explore your next steps, with a wide range of **universities, colleges and apprenticeship providers** from around the UK attending. Speak directly with admissions teams and recruitment officers from Russell Group, Red Brick, Modern & Specialist universities, along with higher & degree apprenticeship providers, and participate in 10 **live webinars** and view **virtual campus tours**.

- Please contact Careers at Cheltenham Bournside if you would like the link to these events.
