Spotlight Talks: Inspiring Careers Excellence

WorldSkills UK's Spotlight Talks: Inspiring Careers Excellence is back by popular demand, delivering free virtual advice and guidance to support young people to confidently take the next step on their career ladder. Register your students today.

Broadcast live on Wednesday 13 and Thursday 14 October, the Spotlight Talks will focus on the exciting digital skills and careers that can be built from technical education and apprenticeships. This follows research from WorldSkills UK which shows that demand from employers for digital skills will continue to grow.

Aimed at secondary school students, school leavers and those in further education, the content can be easily viewed on any smart device.

The free online careers event, hosted in partnership with BCS, The Chartered Institute for IT will feature inspiring talks from leading employers including Rolls-Royce, PwC, Mace, AECOM, Everton in the Community and many more.

- If you would like to register for this event please contact Careers.

STEM and Medicine Career Experiences

Ages 12-18 | At UCL and around the UK

This term we are offering students aged 12-18 immersive weekend experiences in 13 different STEM and Medicine-related careers. **Learn from top doctors, engineers, psychologists, investment bankers and more. Students can attend in-person at UCL or online.** Other options include the Universities of Bristol, Birmingham, Manchester and Edinburgh.

We expect to be fully-booked for many of these programmes by September 30th. Students can click on any career below to see full details and register now.

- If you would like the link to this event please contact careers
