The University of Gloucestershire Outreach team are hosting an Education Conference at our Francis Close Hall campus on the 28th March 2022. This is a unique opportunity for your level 3 students to experience what a university campus is like, what studying Education courses at a Higher Education Institution is like and also to experience student life.

The day will involve course workshops that will be led by our academics, and a campus tour so that the students can see our learning facilities. This will take place at Francis Close Hall Campus, Cheltenham, 10:00am-1:00pm.

Please note that this conference will also cover Early Childhood Studies which is a multidisciplinary course.

If you are interested in booking your students onto this conference, please contact outreach@glos.ac.uk
