Year 12 -

Oxford Brookes University is running subject taster days for students in Y11 and Y12 to have a taste of what it would be like to study certain subjects at university. These will give students the chance to come to our campuses, learn more about their subject of interest and attend sessions delivered by academics and students from those courses. This is the perfect change for your students to learn more about the courses they might be interested in pursuing in the future, so it would be amazing if you could forward this information on to them so that they can sign up to them.

Year 12 – King's college London – Dental School
