“Get Rich Quick... or Get Caught? The Dark Side of Influencer Money Scams!”

Wednesday 14th May at 5pm

A well-known social media influencer has just posted a “foolproof” way to make fast money—claiming you can double your cash instantly!

But is it really a golden opportunity, or just a scam designed to steal your money and ruin your future?

Investigate financial scams, uncover the tactics criminals use, and learn how chasing easy cash could lead to real-world consequences!

Your Mission as a Fraud Detective:

To uncover the warning signs of fraud. By investigating scam patterns, tactics used by criminals, and the consequences for victims, you’ll learn how to protect yourself from falling into the trap!

IMPERIAL
SCHOLARS
SUMMER
SCHOOLS

Imperial College
London

The Brilliant
Club

Take part in an exciting summer school experience with either the Department of Chemistry or Department of Life Sciences!

This project is an opportunity for pupils who are now in Year 12 and interested in studying Biological Sciences and Biochemistry or Chemistry at Imperial College, London.

It aims to support students in developing relevant skills and knowledge to make successful applications to study at university.

Successful applicants will:

- Attend a series of virtual tutorials with a researcher from Imperial
- Produce a written final assignment on a cutting-edge area of research
- Meet current students in the department
- Attend a research seminar on a ground-breaking scientific area
- Learn how to showcase your experiences on a UCAS application
- Prepare for the transition from Year 13 to university

Graduates of the summer school who go on to enrol in the Department of Life Sciences or Chemistry will be eligible to receive a bursary to support a research internship of their choice.

Lab Experience Days for Sixth Form Students

The aim of the Lab Experience Days are to promote the study of biology at university, to provide students with some new practical skills by undertaking real lab-based work and to enable students to learn about university life from our current students.

The School of Life Sciences will be offering the Lab Experience in our Teaching Laboratories on:

- **Thursday 3 July 2025**
- **Friday 4 July 2025**
- **Thursday 10 July 2025**

[Individual Bookings](#) - used by students registering independently of their school or college

Veterinary Nursing Taster Course

University of London Taster Courses are an exclusive opportunity for Year 12 students to sample what studying at the RVC can be like. Students can sample a range of university teaching; course specific lectures, small group teaching, practical hands-on teaching, tour the Campus, get a feel for day-to-day life from Student Ambassadors and receive advice on the application process.

- May 28th 2025
- 10.00am – 3.30pm
- Hawkshead Campus
- FREE and open to ALL Y12 students
- [Taster Courses at the RVC](#)
