Debate team confidently deliver speech

Bournside hosted the second Cheltenham Education Partnership Great Debate earlier this term. **Miss Brown** and **Mr Kelly** are the debate leads for the Cheltenham Education Partnership and we are hosting a series of lives debates as part of this.

Students Laura C, Sam B and Julia G in Year 12 prepared a speech on why investing in public services is good for economic growth. **Miss Brown** said, "Having prepared independently, the students spoke with amazing confidence and clarity and they dealt with questions brilliantly. I was really proud of them!"

Thank you to the students at Balcarras, Dean Close and Pitville School who all took part.
