Cotswold Energy Group

Our new Inspire Breakfast Lectures have been popular with students in Years 10-13, as they explore the wide variety of careers that are available to them.

In November Zoe Phillips and Bronwen Taylor from Cotswold Energy delivered an Inspire Breakfast Lecture as part of Green Energy Careers Week.

Mrs Martin, Careers Leader said; "The talk was incredibly informative about innovations in the renewable energy business and gave the students an update on the heating system that they are currently installing in our school. Zoe also talked about how the company was started by three ex-Marling School students who all invested £3,000 in their new venture and how only five years on the business has a £12million+ turnover and employes over 128 employees.

"It was a inspirational talk from one of the fastest growing businesses in Gloucestershire. Thank you!"

Access Arrangements

Mrs Weir, SEND Lead Practitioner, has created a useful summary of the full policies for parents/carers who would like more information on Access Arrangements. [You can view it here.](#)

The document is a summary of the full policies that can be found on the school website.
