

The Wave, Bristol

Activities Week Success!

We have had an AMAZING Activities Week outside of the classroom, with all students actively engaged in a huge number of trips, visits and experiences.

From fun at the lake at Croft Farm, exploring China Town and riding the waves at The Wave, to markets and art galleries in Lille, camping in the Ardeche, activities in the Mendips and enterprise challenges in school, it has been brilliant to hear how much the students have enjoyed themselves.

More photos to follow next week when we've collected them all! Thank you for all of your support.

Transition Week - thank you!

Last week we welcomed our 300 new Year 7 students for Transition Week. A huge thank you to all of the students who helped provide the new members of our school community with a great experience. Whether they acted as guides, helped at the Clubs Fair (taking great pride in the clubs they are involved in!), or just provided a friendly smile or word of encouragement across the week it was a team effort that makes a big difference and it is appreciated by all of the pupils coming up from Primary School.

Music Lessons at Bournside

One-to-one instrumental and singing lessons are available at Bournside with our excellent team of peripatetic teachers! If you would like your child to have lessons from September it is better to sign them up sooner rather than later as spaces will fill up quickly once September gets here. - Mr Cutress

[If you would like to express your interest please contact the relevant teacher from the list on our website.](#)
