### 'The 'Bournside Bubble' Active Transport Student Project

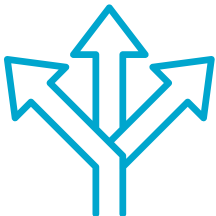

Congratulations to the Bournside students who took part in a CEP (Cheltenham Educational Partnership) Changemakers Event at The Wilson Gallery in Cheltenham this week. I went along to see the team in action and I couldn't be prouder of their work on their Active Travel Project. Well done!

**- Mr Kelly, Assistant Headteacher**

Year 12 student Julia, said; "As part of the Changemakers scheme (through CEP), we have produced an active travel project promoting greener travel, leading to us launching the "Bournside Bubble" on the 4th July. The aim is to change the negative stigma attached to walking to school through positive enforcement such as a raffle for students who walk to school. We hope to reduce the card footprint in the local community and raise awareness of boosting mental and physical health of active travel."

## School news and updates

### Alumni visit - Musician, Felicity Mitchell

We were lucky to have local musician and ex-Bournsider Felicity Mitchell come in to work with our A Level Music Technology students recently. Felicity studied Music Technology at Stroud College and Popular Music at the University of Gloucestershire and is now a musician working in the local area.

Felicity's experience and knowledge was invaluable in helping deliver a workshop on vocal recording techniques to the Year 12 students.

Thank you Felicity!

- Mr Cutress, Head of Music

On Wednesday 12th June, Year 7 and 8 girls competed in the District Athletics and had a fantastic competition. Special mention to Lily H who won the 100m and Long Jump and Millie W who won the 200m.
