Jobs to be gained, careers to be changed

FREE ENTRY

25th May 2022, 10am-1pm

Get Into Medicine Conference

My name is Dr Ehsan and I am an FY2 doctor in Edinburgh. I am also a Chief Mentor at Medic Mentor and you can learn more about me here: <https://vimeo.com/manage/videos/601895014/a815d4a61b>

If your students have any questions or worries about a career in medicine or their application to medical school in general, I would love to answer any questions they have. I can meet them at any of our free LIVE Get into Medicine UCAS conferences that take place online at the weekends.

Your students will be awarded with attendance certificates, which they can use for their UCAS applications too! These events are suitable for students in 10-12, S3-S5 and 11-13NI year groups. They can register for free using the coupon code teacher22 at this link: <https://medicmentor.co.uk/medicine-national-healthcare-weekend/>

Here is an overview of the programme:

09:30 - 10:15 Quick introduction to Medic Mentor, overview for the day, competition ratios, application timeline, Awards and Scholarships
10:15 - 10:25 Break
10:25 - 11:20 Sections on the UCAS application, subject choices, entry requirements and creating our medical CVs!
11:20 - 11:30 Presentation from a successful Applicant (Medical Student)
11:30 - 12:15 Personal Statements
12:15 - 12:25 Break
12:25 - 12:40 Entrance Exams: UCAT & BMAT
12:40 - 12:55 Medical School Interviews
12:55 - 13:25 Harnessing Opportunities and Extracurricular Activities
13:25 - 13:30 Summary and questions

Upcoming Conference dates for March:

Saturday 12th
Sunday 13th
Saturday 26th
Sunday 27th

NHS Live Apprenticeships

NEWS & UPCOMING EVENTS	What's planned?
<p>Healthcare Science Event</p> <p>This is the last chance to book for free to the Healthcare Science Event this Saturday. Don't miss this opportunity to meet with Scientists face to face and receive a certificate of attendance to put towards your portfolio for extra curricular activities.</p> <p>Please see attached Poster for this event</p>	<p>We are proud to present students, guardians and career advisors a unique opportunity to attend an event hosted by Gloucestershire Hospitals and Medical Mavericks to showcase the interesting world of Healthcare Science. You will be able to engage with our scientists, talk about their careers and what interests them to go down this career pathway. You will have an opportunity to have a go at some of their specialist equipment and you can walk away from the event with a couple of goodies courtesy of GHNHSFT as well as a certificate of attendance</p>

Healthcare science week is an annual celebration to raise awareness for the many careers in healthcare science. It provides our healthcare science professionals with an opportunity to promote their profession and inspire the scientific workforce of the future.

**To be held on Saturday 12th March 2022
10:00 – 14:00 GMT
Cheltenham General Hospital site, Sandford
Education Centre**

Please ask your students to book their place using the Eventbrite link below.

Students may need to use Google Chrome to open the link

<https://www.eventbrite.com/e/healthcare-science-week-tickets-265918016947>

which can be used in your portfolio when applying for higher education.

<https://www.medicalmavericks.co.uk> will be showcasing all the wonderful and quirky things that our talented Healthcare Scientists do.

Our specialists will be from:

- Pathology
- Vascular Science
- Histopathology
- Neurophysiology
- Audiology
- Reconstructive Science
- Radiotherapy

And many more.

If you have any queries, please contact Sana Khan on 0300 422 5113 or email: sana.khan28@nhs.net

Career Pilot Webinar Session – Post 18 Options

Free webinar for parents and carers to explore post 18 options

Qualified and experienced careers advisers from the Careerpilot Team will be running two, free, live online sessions for parents and young people on their post 18 options via Teams.

March 15th, 6-7pm

April 26th, 6-7pm

To book your place for this event please contact the Careers Department.

Virtual Professional Panel Events this March

We are pleased to let you know that our Explore Careers Series will be returning at the end of the month and will once again give students the opportunity to hear about the many career options available to them. This year we will be hosting a panel of experts from a range of fields to talk through their experiences but most importantly, answer student questions.

Explore Law: 23rd March 17.00 - 18.30

A great opportunity for students to hear from legal professionals (Solicitors, Paralegals & Barristers) from a range of backgrounds who are all at different stages in their respective careers. We are delighted to be welcoming speakers from Allen & Overy, No.5 Chambers, Shoosmiths and Squire Patton Boggs. Attendees will also have the opportunity to speak to current ULaw students about their experiences studying Law.

Explore Criminology & Policing: 22nd March 17.00 - 18.30

For students considering joining the Police or those that want to study Criminology our panel of experts will be able to guide them through the career options and the qualifications they will need whilst also sharing their experience of working in their respective fields.

Explore Business: 22nd March 17.00 - 18.30

Our business panel makes this event ideal for students considering studying Business at University but unsure of the paths available after graduation. Our professionals on the panel will be able to share their experiences of establishing their own business, training to be a Chartered Accountant and developing their careers to management levels.

To book, please contact the Careers Department for the link to this event.
