Careers News

Thank you for supporting the careers team. We are now on Twitter and are looking to put highlights from the newsletter through this media.

Join us @CBS_careers.

DATE FOR DIARY – Bournside Careers Fair 20th October 2022

Open to students and parents in years 9 to 11 – we have over 35 confirmed standholders from universities, colleges, training providers and companies. There will be a series of talks as well on What are my options post 16, as well as a talk on Why go to University and Degree Apprenticeships.

All Years – Law & Finance Career Opportunities For Ages 12-18

At UCL or Live Online in November & December

Law | Investment Banking | Politics | Entrepreneurship | International Development

The programmes provide an opportunity for students to learn from top professionals, including barristers, MPs, corporate lawyers, investment bankers and hedge fund managers. Highlights include:

- Participate in a mock murder trial
- Public speaking coaching by barristers
- Negotiate in an M&A deal
- Learn how to value stocks & shares

Plus, Q&A time with all the professionals and guidance on university choices, interviews and applications.

Places are limited and allocated on a first-come, first-served basis.

Year 10 to 13 - The NHS Allied Work Experience Programme

This is available for years 10-13 students to participate. You can register using the link below:
<https://alliedhealthmentor.org/product/live-virtual-work-experience-programme/>

All students will be awarded a Work Experience Certificate for participating in the day. An excellent addition to their UCAS and Apprenticeship Applications.

The next Work Experience day is on Sunday 6th November and will cover the following healthcare careers:

- Nursing
- Midwifery
- Paramedicine
- Physiotherapy
- Occupational Therapy
- Dietetics
- Radiography
- Prosthetics and Orthotics
- Speech and Language Therapy
- Pharmacy

The virtual work experience day will take place through an online portal and run LIVE from 10am-5pm, following 2 patients from their initial accidents through to recovery. Students will see them interact with a variety of healthcare professionals listed above so that they develop an understanding of the multidisciplinary team as well as insights into their own chosen careers.

Students will also have the opportunity to interact with healthcare professionals via a LIVE Chat function and polls throughout the day!

The cost to attend is £10/student per session, which is just an administrative cost to cover the set-up of individual portals, personalised certificates, safeguarding, and the technology on the day, such as our servers and chat functions – please contact school if this charge would stop your son/daughter participating.

Year 10 to 13 – Interested in Medicine

Two junior doctors have created free content for aspiring medics.

Subscribe to their mailing list for updates on our latest podcasts:
