FameLab Academy final

Last week Lana, Year 9, Attenborough House, represented our school in the FameLab Academy final, a sister competition to the world-leading science and communication competition FameLab.

Lana chose to present the merits of gaming, with the hope to encourage children to tell

their parents that gaming actively promotes brain development, memory and problem-solving skills.

Chelt 4 Change debates

Three students were selected to present at the first series of Cheltenham youth debates, 'Chelt4Change' at CLC on the theme of inequality. Well done to Laura, Year 10, Frank House; Victoria, Year 10, Hawking House and Julia, Year 10, Parks House, who spoke confidently to a large audience and engaged with the panel, which included Alex Chalk MP,

Dame Janet Trotter DBE, CVO, and councillors. We're delighted to be hosting the next youth debate at Bournside. Watch this space.

Chapel Arts lunchtime recital

Our busy and talented music students delivered a fantastic lunchtime recital for the second time at Chapel Arts during March. Head of Music, Matt Cutress, said, "All of the students performed exceptionally, it's a testament to all their hard work that they're able to perform so well, so consistently. We were all especially grateful to be able to raise funds for the Ukraine appeal which gave the recital even more meaning." Well done!
