A 'brilliant' performance of Joseph

We're still smiling following the three packed performances of Joseph last weekend. Thank you to everyone who joined us and for your support for the students taking part. You can view photographs from Saturday night's finale performance [here](#).

"The performance was delightful and a perfect metaphor for our times. Like Joseph emerging from prison, society is coming up from the darkness of COVID into the light of a post-pandemic world. I thought that this joyous production perfectly captured the hope and excitement which we see in school every day. Well done – and heartfelt thanks – to cast and crew!" - Mr Jefferies

Adele elected as a Member of Youth Parliament

Congratulations to Year 10 student, Adele, who has been elected to represent Cheltenham and Tewkesbury as a member of the Youth Parliament!

You can read Adele's candidate profile [here](#).

Ukraine fundraising - Friday 25th March

Throughout this week and next, students will have either had or will be having an assembly about the war in Ukraine. As a school, we would like to raise money and collect essential items to support the relief and aid effort. Therefore, on Friday 25th March we will be holding a fundraising and awareness day.

As part of this students and staff are being asked to supplement their uniform with blue and yellow. This is not a non-school uniform day and school blazers are expected to be worn. However, students can don the colours of the Ukrainian flag by exchanging or supplementing items of their uniform. They could; change their shirt or trouser colour to yellow or blue, wear wacky socks, wear a hat or scarf, add some yellow or blue make-up, wear a different tie or generally accessorise their uniform with blue and yellow items.

We ask that a minimum £1 donation is made by all students at their House gates in the morning. Additionally, if you would like to further donations you can do so via School Gateway or contribute directly to the [Red Cross: Ukrainian Appeal](#).

We will also be holding a collection of essential items and will be working with a local charity to ensure delivery to areas where they are needed. If you would like to donate any items please can they be from the following list only:

- Wet wipes
- Antiseptic wipes
- First Aid Kits or supplies
- Emergency Blankets
- Disposable gloves
- Paracetamol
- Multivitamins
- Thermal blankets
- Raincoats
- Sleeping bags
- Batteries of various sizes
- Flashlights/ candles
- All kinds of instant food; i.e. instant soups to be added to boiling water
- Energy bars

There will also be a variety of other activities in tutor time and throughout the day to raise awareness amongst our students.
