Apply to become a governor at Bournside School

The Governing Board is pleased to invite parents and carers of students registered at Bournside to apply for the position of parent governor. We have two vacancies.

Nominations are open until midday on Wednesday 16 June. You can put yourself forward, or a friend can put your name forward with your permission. Please read the [parent governor role description](#) and check that you are interested in carrying out the duties of a governor and are eligible to apply.

To be a parent governor you should have:

- a strong commitment to the role and to improving outcomes for children
- good interpersonal skills, curiosity, and a willingness to learn and develop new skills
- the specific skills required to ensure the governing board delivers effective governance.

The governing board is keen to recruit governors who have skills in the following:

- Finance and Accountancy
- Health and Wellbeing.

We welcome applications from all people in our parent and carer community and would like our board to reflect the diversity of our school. To find out more about what governors do, please join Bournside governors for an informal meeting on Wednesday 9 June at 5pm via Zoom:
