Task 2:

The aim of this work is to develop your sketching and rendering skills in preparation for A-Level Product Design.

Instructions:

1. Log in to Showbie. Using the class code above join the **Yr12 Product Design Bridging work - Mr Gibbons** class. Select the 'Sketching Tutorials assignment'.
2. Use the link to the YouTube channel 'Product Design Sketching Tutorials'.
3. Start with 'Two-point perspective' (the basics) and practice the using a pencil and paper (it is the video at the bottom of the playlist).
4. Work your way through the tutorial videos trying out the different techniques.
5. Photograph sketches that you are really proud of and upload to Showbie.
6. Try to complete all the tutorials – it will really help to improve your design sketching and help you to be able to communicate your design ideas.
