

## Sixth Form Bridging Work

3D Art – Summer 2024

### Module 1

#### Natural forms – Woodland Walk

- Collect images from a walk
- Include textures, bark, leaves, grasses, stones, berries, seed pods etc
- Take at least 50 photographs so you can work from them in September
- Draw first hand – sketches, good tonal drawings (top tip) print an image and hold it against the window so you can trace the outline!
